Think pet licences are a cash grab? Give your head a shake.

Contrary to popular belief, your pet licence fees don't go to the City's bottom line. They go to helping animals in need. To feeding and sheltering strays, veterinary care for lost and homeless animals and spaying and neutering initiatives. Your fees pay for a lot of important things. Including an identification tag for your pet that'll help us reunite you should you ever get separated. So quit shaking your head about pet licences and get yours today at **toronto.ca/petlicensing**

Preface

Welcome to the 2016 edition of the Province of Ontario Breed Specific and All Breed Rescue Directory, a project undertaken by Speaking of Dogs. We hope it enables users to unite dogs with people and people with dogs.

Please note:
It is not possible for Speaking of Dogs to obtain each individual rescue group's policies and procedures. Therefore, it is up to each sheltering organization to acquire these details from the rescuer, prior to making the decision to release a dog into their care. Sheltering organizations may wish to question policies such as spay/neuter, foster care arrangements, housing, adoption contracts, home visit protocol, veterinary care and/or return policies.

Our volunteers have contacted each rescue and shelter in an effort to provide current and accurate information in this directory. Most rescue organizations, however, are run solely by volunteers and despite everyone's best efforts, changes are inevitable and key contact people may no longer be in a position to respond. Therefore, please let us know if you come across any changes that need to be made for the 2017 edition.

Without the financial backing of our advertisers, the directory would not be possible. Many thanks to all the businesses and individuals who purchased advertising space demonstrating their support and commitment to the ongoing efforts of dog rescue.

Wags to Kathy Bruce, Ian Houston and Cathy Vandergeest (www.gawck.ca) for their help with updating, formatting and design.

Last, but never least, thanks to all the dedicated canine rescuers who are part of the directory and offer their assistance to the many dogs who come to them in need.

Hopefully, this directory will continue to offer animal shelters, humane societies and animal control facilities a comprehensive resource list to help the many dogs who come through their doors each day.

As in recent years, the directory can always be accessed online at
www.speakingofdogs.com

To all who care for and about dogs,

Westies in Need (WiN)

is the largest Westie rescue organization in Canada. We provide rescue, fostering, transport, medical attention and adoption services for homeless West Highland White Terriers in Ontario and Quebec.

These two dogs were rescued by Speaking Of Dogs!

A portion of every purchase at www.biopaw.com
is donated to give more dogs, like these two, a second chance.

Project Jessie

Animal Alliance of Canada

Project Jessie has been helping animals since 1991.

We focus primarily on helping shelters and pounds to place their difficult creatures - those that are medically fragile, very young or very old, the ones that have some behavioural issues, specialized needs, or the ones that simply aren't coping with the shelter environment.

If your shelter is being requisitioned under *the Animals For Research Act*, we would love to help by offering a compassionate alternative to sending your animals.

Project Jessie mainly helps dogs and cats, but also small animals, birds & even farmed animals on occasion.
