The Buzz

Kansas City University of Medicine and Biosciences
on Tuesday

Welcome to KCU, Class of 2022! The first day of orientation was packed with meeting administrators and professors, picking up white coats, taking ID photos, and getting to know your fellow student doctors. This will be the groundwork for an exciting med school career. Remember what Executive Dean Dr. Darrin D'Agostino told you, "Four years from now, you're going to hear me say, I knew you could do it."
