

Saving and sending images for publication

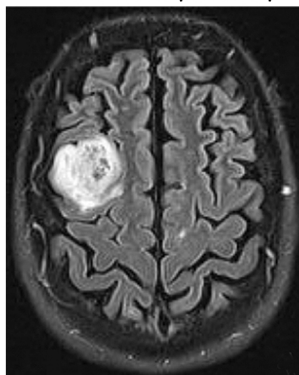

**Images here are not to scale
but just for demonstration**

too small
(will be blurry or pixelated
when enlarged for placement)
2 inches wide

72 dpi
(dots per inch)

large enough
(plenty of pixels [dots, data] in the image)
4 inches wide (or wider)

300 dpi (or as many dpi as possible)
(dots per inch)
