Canadore College Background

For more than 50 years, Canadore has been the college of choice for students from across the province and around the world. Canadore is built on five strong traditions: student success, program and service excellence, connection to community, sustainability, and innovation and entrepreneurship. These principles are the foundation upon which Canadore measures its current practices, and evaluates future initiatives so that we can serve our students better every day.

Canadore provides access to over 80 full-time quality programs and apprenticeships and has outstanding faculty and student services. Each year, approximately 1,000 graduates join a network of 78,000 alumni working around the globe.

Convocation Message from President George Burton

On behalf of Canadore College, it is my great pleasure to extend congratulations to this year's graduating class.

For many, the road to this day has not been an easy one. There have been many challenges to overcome along the way. As a graduate, you have proven that you can successfully navigate the trials, and the opportunities, that lie ahead.

You are now ready for your next chapter. Some of you will be applying your newly acquired skills in your new career, while others will be going on to broaden your postsecondary education. No matter where you go next, I am confident that the knowledge and training that you have received here at Canadore has prepared you to succeed. Enter each day with positive purpose and stay curious.

Today, you are welcomed as a valued member of the Canadore College Alumni. As alumni, you have lifelong access to Canadore's resources. We hope you stay in touch, and we look forward to continuing our relationship. It is my privilege to share in these graduation celebrations with you. I wish you much success and happiness in your future personal and professional endeavours.

Thank You

Every year, over 400 donor supported scholarships and bursaries go directly into the hands of students most in need, students who might not otherwise be able to afford a college education. It is a true testament to your generosity and partnership.

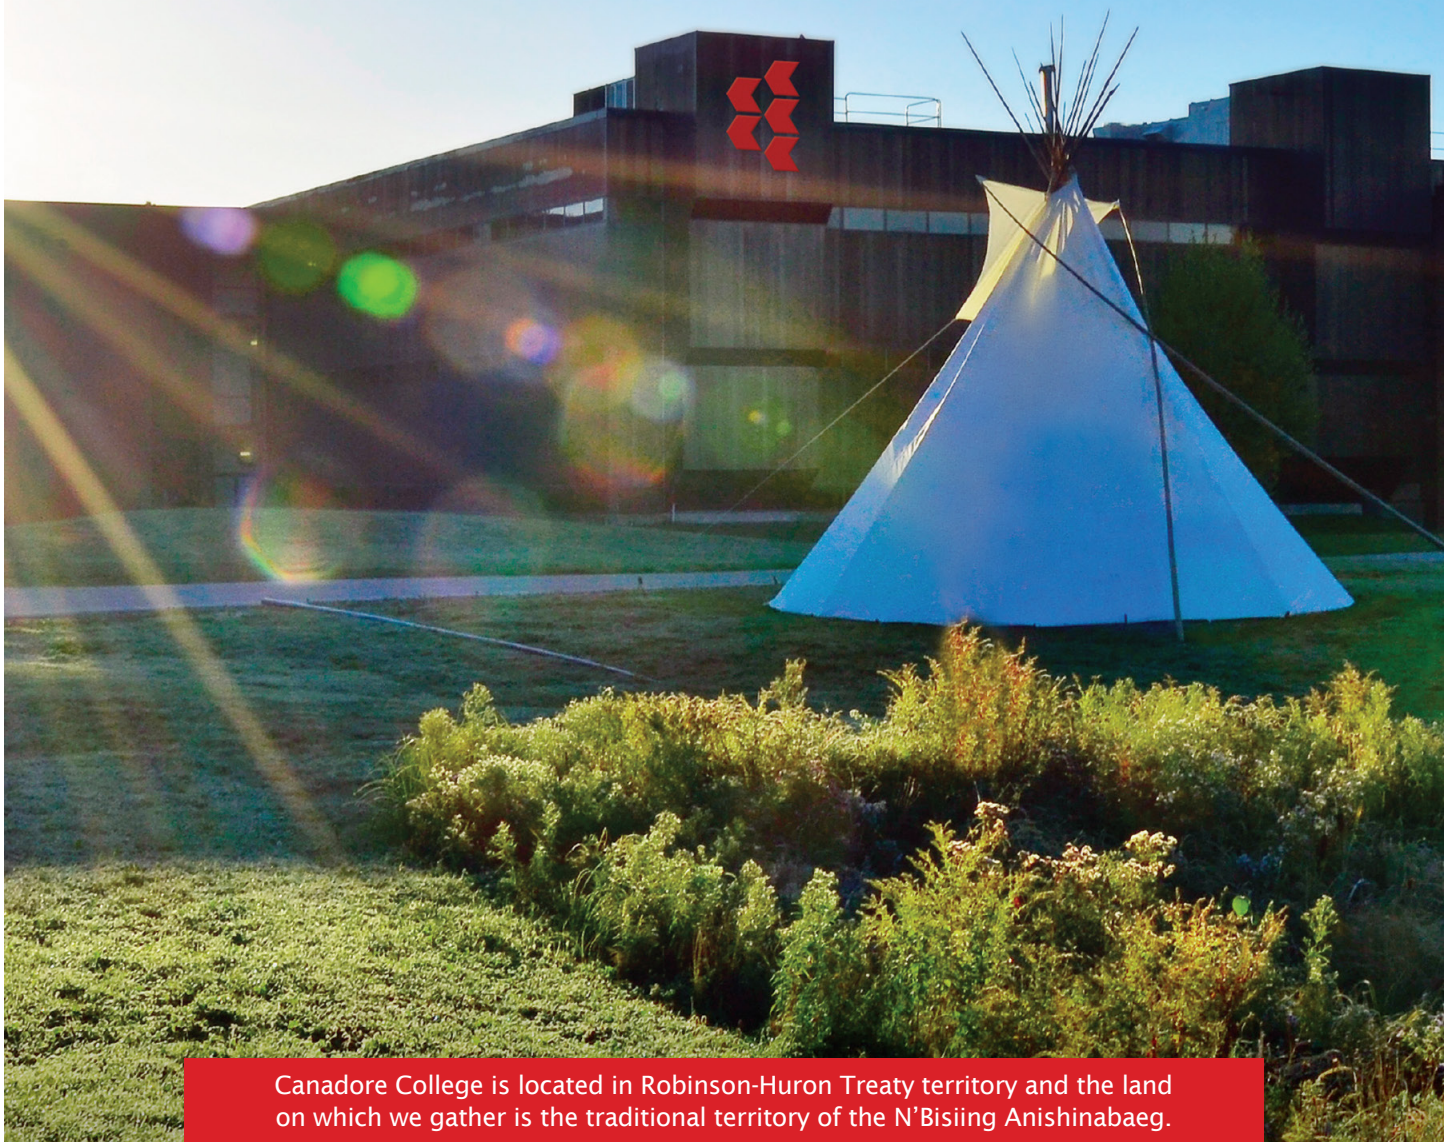

Canadore is grateful for our community members, alumni and friends, and the numerous companies and organizations that support us. Thank you for helping us to move forward; you are having a tremendous impact on our students and our communities.

On behalf of the entire Canadore community,
we thank you.

The Sacred Medicine Wheel teaches us the importance
of observing balance in everything that we do.

Congratulations to this year's graduates and may you walk
in balance as you continue along your life's path.

Canadore College is located in Robinson-Huron Treaty territory and the land
on which we gather is the traditional territory of the N'Bisiing Anishinabaeg.
