Canadore College Background

For more than 50 years, Canadore has been the college of choice for students from across the province and around the world. Canadore is built on five strong traditions: student success, program and service excellence, connection to community, sustainability, and innovation and entrepreneurship. These principles are the foundation upon which Canadore measures its current practices, and evaluates future initiatives so that we can serve our students better every day.

Canadore provides access to over 80 full-time quality programs and apprenticeships and has outstanding faculty and student services. Each year, approximately 1,000 graduates join a network of 90,000 alumni working around the globe.

Convocation Message from President Sandra Efu

On behalf of Canadore College, I'm proud to congratulate each of you on reaching this important milestone.

Graduation is more than a moment - it's a reflection of your resilience, your growth, and your willingness to push forward, even when things weren't easy. You've shown what it means to adapt, to lead, and to take ownership of your future. That mindset will carry you far beyond today.

As you step into what comes next, you'll do so with the confidence, skills, and real-world experience that define a Canadore education. Some of you will launch directly into your careers, others will continue learning - all of you are ready to make an impact. Stay curious, stay open, and don't be afraid to challenge what's possible.

Today, you join a network of over 90,000 Canadore alumni - a community of innovators, creators, and leaders making a difference across our region and beyond. This will always be your college. Stay connected, stay engaged, and know that we're here to support you wherever your path leads.

More than ever, Canadore is committed to standing shoulder-to-shoulder with you as you navigate changes post-graduation - in your career and in life. You can always count on Canadore to help arm you with the latest skills, knowledge, and hands-on experiences to meet those changes head-on. For us, this is not goodbye, but a start of a perpetual partnership: a career-long commitment to learning, mentoring, and growing together with you, every step of the way.

Congratulations again on your achievement!

CANADORE
FIRST PEOPLES' CENTRE

**The Sacred Medicine Wheel teaches us the importance
of observing balance in everything that we do.**

**Congratulations to this year's graduates and may you walk
in balance as you continue along your life's path.**

Canadore College is located in Robinson-Huron Treaty territory and the land on
which we gather is the traditional territory of the N'Bisiing Anishinabaeg.
