Presentation Guidelines

The Northern Ontario Simulation Symposium is now accepting presentation submissions for the upcoming annual conference being held at **Canadore College on Thursday, May 1, 2025.**

These presentations will be part of the breakout workshops which will occur throughout the day. The purpose of these workshops is to showcase the use of simulation in healthcare education and training. These workshops will be 60 minutes in length. It is strongly encouraged that these workshops are creative and interactive and allow for engagement and audience participation. Any handouts or materials for distribution are also encouraged and will be the responsibility of the presenter. All presenters must be registered to attend the symposium.

Please complete the following application form and email to:

Louise Moir
louise.moir@canadorecollege.ca

Submissions will be accepted until Friday, February 7.

Applications will be reviewed and notification of acceptance will occur by Friday, February 21.

SPACE IS LIMITED.
