

Adult Dual Credit - Early Childhood Education

Dual Credits: one high school credit and one college course.

*To be eligible for this program students must be 21 years of age or older, aiming to complete an Ontario Secondary School Diploma.

Health, Safety and Nutrition

PPU4T (College Course: ECE118)

This course will explore relevant factors that impact the health, safety, nutritional needs and overall wellbeing of young children. Students will explore the role of the educator in upholding provincial legislation, Standards of Practice and common policies, procedures and practices that pertain to supporting holistic and healthy child development within the early learning environment.

Note:

- Tuition, materials, and transportation will be covered through the Dual Credit program.
- Students will be contacted by the SCWI Program Assistant at least one week prior to the start of the program and will be provided with a date, time and location for each orientation session.
- **Delivery:** February to May 2025.
- **Location:** College Drive Campus.
