

## Coming to Canada Series: Finding a place to live

*Please note that students are required to sign an attestation indicating that they have secured housing in order to have access to registration.*

Students with in-person or Hybrid mode of delivery must be ***physically present*** at the campus indicated on their offer letter.

Please note that housing options are limited.

Canadore College Residence offers accommodation options in North Bay for international students. We still have some availability for the summer! For further details, and to submit an application, please visit this [link](#).

You may also search for housing through Canadore's off campus housing website:

<https://www.canadorecollege.ca/support/Housing>

There are also housing options posted to Facebook Marketplace, Kijiji, and Rentseeker. Please search these websites regularly for new listings.

Please be aware that international students in Canada have, unfortunately, been targeted by rental scams. We strongly advise all students to exercise caution. For tips, please see: <https://help.kijiji.ca/helpdesk/safety>

**IMPORTANT NOTE:** It's unfortunate that some students in Canada have encountered housing scams. To help you identify potential risks, please refer to this guide on how to spot and avoid housing scams:
