

Subject: Coming to Canada: Finding a place to live

Before you can register, you must sign a statement confirming that you have found a place to live.

Students with in-person or Hybrid mode of delivery must be **physically present** at the campus indicated on their offer letter.

**Please note that housing options are limited.

If you are staying in Residence

Canadore College Residence offers accommodation options in North Bay for international students. **We still have some availability for the winter!** For further details, and to submit an application, please visit this [link](#).

If you are staying in Canadore's residence, please note that rooms will not be available until January 5. However, **you can ask to arrive earlier by contacting the residence team before December 13**. You must receive written confirmation from them to arrive early.

If you do not ask for early arrival and come before January 5, you will need to arrange temporary accommodations, such as a hotel. This can also be a good chance to explore the area and settle in before classes begin!
