

Subject: Coming to Canada: Finding a Job

Here's what you need to know about finding a job and working while you study in North Bay or Parry Sound:

As you prepare to join us at Canadore College, we understand that managing finances can be a concern.

While we recognize the necessity for some students to work to cover expenses, it's crucial to prioritize your academic pursuits during your studies under your study permit. Please note that class schedules and academic activities cannot be adjusted to accommodate work commitments.

To assist you in your job search, Canadore has several resources to help with employment needs, including a job portal and Canadore Work Study Program. For more information, please visit [Student Employment - Canadore College](#)

Once you arrive and are registered, you will have access to our [free web app, Devant](#) where you can find tips for resume and cover letter writing, as well as interview preparation. Devant also offers workshops and career fairs to help you get ready for the job market.

IMPORTANT NOTE: It's unfortunate that some students in Canada have encountered job scams. To help you identify potential risks, please refer to Devant's guide on how to spot and avoid job scams: <https://www.devant.ca/blog?p=how-to-spot-and-avoid-job-scams-in-canada-guide-for-international-students>

Stay safe and we look forward to welcoming you!
