

Subject: Coming to Canada: What You Need to Know for Travel

As you prepare for your journey to Canada, here's what you need to know:

Book your flights only **after** your visa is approved to avoid unnecessary expenses. Check your ticket or the airline's website for baggage allowances and ensure your passport is valid with enough pages. Always carry your original passport with you.

Keep important documents, medications, and a power bank in your carry-on bag, which must not exceed 7kg. No liquids over 100 ml are allowed. Check the [CBSA website](#) for detailed information on allowable items.

Important Note About Enrollment Letters

Enrollment letters are **not** available until you've registered and begin attending classes. You **do not** require an enrollment letter for travel.

Required Travel Documents

When you arrive in Canada, you'll meet a border services officer who will make sure you meet some basic requirements including the documents you may require for travel. More information can be found here: <https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/prepare-arrival.html#s04>
