

WHO WE ARE

The Village Collective Impact Project is a Collective of **50 partner organizations** that supported over **30,000 Seniors** this season. We have a community network of **87 organizations** representing **13 sectors** across our region.

OUR GOAL

To reduce the risk of social isolation among Seniors and Indigenous Seniors 60+ by improving community connectedness to increase social awareness and participation by seniors, families and caregivers, using an intergenerational approach.

Here's some feedback from the Village

“The village is a welcoming and safe environment providing the opportunity to improve our level of fitness and socialize with the new friends we make.”

- Laura Rainer, Village VIP
