

Supply Chain Management – Ontario College Graduate Certificate

Course Completion Guide

- Students enrolled in the Supply Chain Management Part-Time Online program must follow the course completion plan outlined in the table below.
 - Track your certificate progress by entering your grades and dates of course completion in the table below.
- You will have a maximum of 5 years (15 semesters) from the start date of your first course to complete this certificate.
- Not all courses are available every semester. Please visit the program webpage to view current course availability.
- **Students are required to locate their own placement for SCM225 – Placement. The placement location must be with an approved supply chain organization and needs to be approved by the course instructor.**
