# Transfer TO • WITHIN • FROM Canadore College

**Canadore College is ideally situated in North Bay, Ontario – equal distance from Toronto and Ottawa.**

We have three beautiful campuses in the city and one in Parry Sound where we offer quality programs, excellent student services, and outstanding faculty.

Canadore is the college of choice for students from across the province and around the world.

# Continuing Your Education

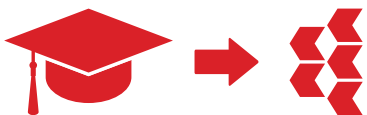

## There are many options available to students who already have some postsecondary education

Whether you are looking to study at Canadore from another school, are looking at continuing your education at Canadore, or are looking at pursuing further education elsewhere, we can help find the right path for you!

Whether you want to **Transfer TO Canadore**, **Transfer WITHIN Canadore**, or prepare to **Transfer FROM Canadore** we've got you covered.

### Transfer TO Canadore

### Transfer WITHIN Canadore

### Transfer FROM Canadore

## Study Part-Time!

Continuing Education at Canadore College offers a wide range of certificate and diploma programs, as well as microcredentials, across disciplines such as business, health, and technology.

Whether you're a high school graduate, a post-secondary graduate, or a mature learner, we're here to help you reach your career goals. Looking to upgrade your skills, change careers, or explore a new interest? Our flexible online learning options make it easy to learn on your schedule.

Explore our [Continuing Education Programs](#) or connect with our [Continuing Education team](#) to get started.

# Transfer TO Canadore College

PREVIOUS CREDENTIAL	CANADORE PROGRAM	TIME TO COMPLETE
Any Ontario College Diploma Graduates	Project Management - Information Technology	8 months
	Recreation and Leisure	8 months
	Recreation Therapy	8 months
	Strength and Sport Conditioning	8 months
Select Ontario College Diploma Graduates and University Graduates – In a related field*	Environmental Management	8 months
	Health Care Administration	8 months
	Mental Health and Addiction Worker - Intensive	10 months condensed (3 semesters)
	Occupational Therapist Assistant and Physiotherapist Assistant - Intensive	10 months condensed (3 semesters)
	Social Service Worker - Intensive	10 months condensed (3 semesters)

8 months equates to 2 semesters. 10 months condensed is 3 consecutive semesters

\* reviewed on case by case basis.

## Looking for Advanced Standing into a Program?

You may qualify for advanced standing if you have completed part of a program (one semester or more) elsewhere, and you wish to continue the same or similar program at Canadore College. If you receive advanced standing, you will gain admissions into a higher semester.

*Please note: Students may receive transfer credit or prior learning assessment and recognition (PLAR) credits for up to a maximum of 75% of their prescribed Canadore College program curriculum. Prior Learning should have taken place within the last 5 years for most programs to be eligible for potential Advanced Standing. The length of time that will be accepted is subject to review and approval/denial by the program coordinator.*

## Process for Advanced Standing

- Apply through [Ontariocolleges.ca](http://Ontariocolleges.ca) and choose the advanced standing application option (entry level 3).
- Upon submitting your OCAS application, please contact the Pathway Officer, at [jonathan.cranston@canadorecollege.ca](mailto:jonathan.cranston@canadorecollege.ca) and indicate that you are requesting advanced standing based on your prior education. **The Pathways Officer will provide you with detailed instructions and support documents required to complete and submit your Advanced Standing package for review.**
- You will be required to provide your **official transcripts\*** and **full course outlines**. You may request to have your transcript sent to Canadore through OCAS. Alternately, you may request that your institution send an official transcript directly to our Admissions Office.

\* Official transcript must be received directly from the institution. You can request that your transcript be sent to the Pathway Officer by email at [jonathan.cranston@canadorecollege.ca](mailto:jonathan.cranston@canadorecollege.ca). If hand-delivered, transcripts must still be sealed in the envelope provided by the institution.

# Transfer TO Canadore College

## Looking to Transfer One or More Courses?

Once you have been accepted to Canadore College, you may be eligible to transfer prior courses completed at other postsecondary institutions. We accept courses from any postsecondary institution including international. You may also transfer credits from other Canadore Programs free of charge!

*Please note: Students may receive transfer credit or prior learning assessment and recognition (PLAR) credits for up to a maximum of 75% of their prescribed Canadore College program curriculum.*

## Transfer Credit Considerations

In order to be eligible for transfer:

- Courses must share the same learning outcomes, similar content and similar course hours
- Courses must have a final minimum grade of 60% "C" or higher unless otherwise stated in the Canadore course outline

## Looking to Transfer General Elective or General Education Courses?

As a rule, General Education courses (or GEDs) are courses that:

- Do not share any learning outcomes with your current program and differ in theme and content,
- Are theory courses rather than applied (or hands-on) courses,
- Fit into one of the MTCU GED themes (Arts in Society, Civic Life, Societal and Cultural Understanding, Personal Understanding, or Science and Technology).
- Have a final minimum grade of 60% "C" or higher
- Cannot have a pre-requisite course, and
- Must be at least 42 hours in length.

## Looking to Transfer Communications or Other Courses?

The best place to start is for you to review our program curriculum and course outlines:

- Curriculum [canadorecollege.ca/programs](http://canadorecollege.ca/programs)
- Canadore course outlines [canadorecollege.ca/course-outlines](http://canadorecollege.ca/course-outlines)

Please compare the Canadore course learning outcomes to the courses you have previously completed to determine if the courses may be equivalent.

## Testimonial Madison Mancini

**Recreation and Leisure Services 2019 Graduate and former transfer student. Now enrolled in Business, her second credential.**

I recently graduated from the Recreation and Leisure Services program and am currently in the two-year Business program.

I transferred from Algonquin College... the Recreation program at Canadore had more variety than the one at Algonquin.

I like how personal the professors are. They get to know you and it really feels like they care about each student. Other institutions are bigger and you often feel like a number, even at a college where there are supposed to be smaller classes and it's supposed to be more interactive.

### Q&A

**Tell us what program and years you were at Canadore.**

I recently graduated from the Recreation and Leisure Services program and am currently in the two-year Business program. I'll be at Canadore from 2017 to 2020.

**Tells us why you transferred from another institution to Canadore?**

I transferred from Algonquin College to get out of Ottawa. The Recreation program at Canadore had more variety than the one at Algonquin.

## Transfer Credit Process

Although we accept transfer credit applications at any time, to ensure you get the results before the semester drop deadline, applications are due 15 business days prior to the start of each semester. View all important dates and deadlines.

Credit Transfer reviews are not completed during the faculty summer vacation period. Prior Learning should have taken place within the last 5 years for most courses to be eligible for potential Credit Transfer. The length of time that will be accepted is subject to review and approval/denial by the subject matter expert completing the credit transfer review.

1. You will need to submit an official transcript for non-Canadore institutions if you have not done so when you applied for your program. Official transcripts must be received directly from the institution. You can request that your transcript be sent to the Pathway Officer by email at [jonathan.cranston@canadorecollege.ca](mailto:jonathan.cranston@canadorecollege.ca). All hardcopy transcripts must remain unopened in the sealed envelope provided by the institution.  
Transcript from international postsecondary institutions must be assessed by one of the following credential assessment services:
  - International Credential Assessment Service - [www.icascanada.ca](http://www.icascanada.ca)
  - University of Toronto - [www.utoronto.ca](http://www.utoronto.ca)
  - World Education Services - [www.wes.org](http://www.wes.org)
2. You will need to submit full course outlines for each non-Canadore course being reviewed. Please attach the course outline directly into your application form or e-mail outlines to the Pathways Officer.
  - They should include a list of learning outcomes and/or a list of all topics covered in the course.
  - Your course outlines should be from the same year and indicate the same title and course code as what appears on your transcript.
  - If you did not keep these from your studies, and they are not available online, you may have to contact your prior institution to re-acquire these.
3. There is a fee of \$25 for a single application and \$50 for two or more applications. Fees re-set each semester and are payable via "Self Service" at the time of application. Payment is only required for courses transferred from other institutions. Canadore to Canadore transfer credits are completed at no charge. Please note: The approval of a transfer credit will not result in a reduction in tuition if you remain full time.
4. All credit transfer submissions must use the [online credit transfer application form](#). Please submit a separate application form for each Canadore course that you are seeking exemption from.
5. Transfer credit results may take up to four weeks to receive by email. We strive to get results to students within 10-15 business days. **You cannot drop a course before you receive the official results. Keep attending classes until notified of the application outcome.**
6. If your credit transfer is approved, you will be required to drop the course (it is not automatically dropped for you). Please visit or contact Admissions at [admissions@canadorecollege.ca](mailto:admissions@canadorecollege.ca), or call 705-474-7600 ext. 5123.

For MORE information on Credit Transfer, please contact the Pathway Officer, at [jonathan.cranston@canadorecollege.ca](mailto:jonathan.cranston@canadorecollege.ca).

For the transfer credit policy, please go to the following link - [Credit Transfer Policy](#). For the policy on Recognition of Prior Learning, please go to the following link [Recognition of Prior Learning](#)

# Transfer TO Canadore College

## Earn College Credit Through Life Experience - PLAR

Prior Learning Assessment and Recognition (PLAR) evaluates learning acquired through life experiences such as work, training, independent study, volunteering, travel, and military service. PLAR may help you to gain credit for courses where you can demonstrate that you have met the course learning outcomes through your life and/or work experience recognized through credit transfer. PLAR is only available during the Fall and Winter semesters

### The PLAR Process is Four Steps

1. Complete and submit PLAR Self Assessment and Resume for review and approval
2. If approved, pay PLAR fee of \$115.00.
3. Connect with assessor via e-mail to get assignment list.
4. During the remainder of the semester, complete and submit assigned coursework for grading. Coursework examples could include portfolio presentation, challenge exam, practical demonstration or other assessment methods so you can show your knowledge of the course learning outcomes.

PLAR may take up to three months (or the length of a standard course) to complete and receive credit (depending on the length of the course and the time taken to prepare the assessment). For complete information on the PLAR process, you must contact the Pathways Officer at

[Jonathan.cranston@canadorecollege.ca](mailto:Jonathan.cranston@canadorecollege.ca)

For the PLAR policy, please go to the following link: [PLAR Policy](#). For the policy on Recognition of Prior Learning, please go to the following link [Recognition of Prior Learning](#)

## Military Members and Their Families - Free Application to Canadore College

If you are a military member or former military member or a family member, we want to support you! We can assist with everything from your application to transferring credits and assessing your work experience. Once program eligibility requirements are met and Admissions receives proof of military association such as military ID for the associated family member(s), you will then be able to complete the internal application free of charge. You will also be able to apply for credit transfers free of charge. Contact the Pathway Officer, at [jonathan.cranston@canadorecollege.ca](mailto:jonathan.cranston@canadorecollege.ca) to find out more.

# Transfer FROM Canadore College

## Pathways for Canadore College Graduates

Canadore College has signed formal agreements with over 25 pathway partners. Formal agreements (often called pathways or articulation agreements) between Canadore College and other postsecondary institutions provide students additional credit and opportunity to study elsewhere, usually in the pursuit of a degree or other academic credential.

## Canadore's 25+ Pathway Partners

**Algoma University** – Sault Ste. Marie, Ontario, Canada  
**Athabasca University** – Athabasca, Alberta, Canada  
**Atlantic Technological University Sligo** – Sligo, Ireland  
**Brock University** – St. Catharines, Ontario, Canada  
**Carleton University** – Ottawa, Ontario, Canada  
**Conestoga College** – Kitchener, Ontario, Canada  
**Fanshawe College** – London, Ontario, Canada  
**George Brown College** – Toronto, Ontario, Canada  
**Humber College** – Toronto, Ontario, Canada  
**Lake Superior State University** – Sault Ste. Marie, Michigan, USA  
**Lakehead University** – Thunder Bay, Ontario, Canada  
**Laurentian University** – Sudbury, Ontario, Canada  
**Munster Technological University** – Tralee, Ireland  
**Nipissing University** – North Bay, Ontario, Canada  
**Royal Roads University** – Victoria, British Columbia, Canada  
**Saint George's University** – West Indies, Grenada  
**Saint-Paul University** – Ottawa, Ontario, Canada  
**Seneca Polytechnic** – Toronto, Ontario, Canada  
**South East Technological University** – Carlow, Ireland  
**Technological University of the Shannon** – Limerick, Ireland  
**Thompson Rivers University** – Kamloops, British Columbia, Canada  
**University of Lethbridge** – Lethbridge, Alberta, Canada  
**University of Guelph** – Guelph, Ontario, Canada  
**University of Guelph-Humber** – Toronto, Ontario, Canada  
**University of Gloucestershire** – Cheltenham and Gloucester, United Kingdom  
**University of New Brunswick** – Fredericton, New Brunswick, Canada  
**University of Sudbury** – Sudbury, Ontario, Canada  
**Vancouver Island University** – Nanaimo, British Columbia, Canada  
**Western University** – London, Ontario, Canada  
**Wilfrid Laurier University** – Waterloo, Ontario, Canada  
**Yorkville University** – Toronto, Ontario, Canada

The following institutions provide Ontario College Graduates, pathways to degree options:

*Algoma University, Algonquin College, Brock University, Cambrian College, Carleton University, Centennial College, Conestoga College, Confederation College, George Brown College, Georgian College, Humber College, Lakehead University, Loyalist College, McMaster University, Nipissing University, Queen's University, Royal Military College of Canada, Toronto Metropolitan University, Seneca Polytechnic, Sheridan College, St. Clair College, St. Lawrence College, Trent University, University of Guelph, University of Guelph-Humber, Ontario Tech University, University of Ottawa, University of Toronto, University of Waterloo, University of Windsor, Western University, Wilfred Laurier University, York University*

# Transfer FROM Canadore College

## ONTransfer.ca Pathway Resource for Ontario Students!

In addition to Canadore's formal agreements, you will also find Ontario wide pathways offered to college students listed on [ONTransfer.ca](https://ontransfer.ca). ONTransfer.ca is a service provided by the [Ontario Council on Articulation and Transfer \(ONCAT\)](https://ontransfer.ca) to connect current and prospective students to transfer opportunities within Ontario's 45 publicly assisted Colleges and Universities.

## No Pathway, No Problem!

You are not limited to the pathways opportunities listed in the Canadore College Pathway Guide, or on [ONTransfer.ca](https://ontransfer.ca). You can always contact the admissions department at your desired institution to find out about your credit transfer options.

## About this Guide

At Canadore, we strive to accurately publicize our formal agreements and have pathways that are beneficial to our students. However, students are advised to conduct their research carefully. It is the responsibility of the student to communicate with the receiving institution, to confirm that any information is current and to ensure the agreement meets their needs. Please note that the receiving institution has the right to terminate the agreement or change any requirements of the agreement including and not limited to, admissions requirements, grades, and credits received.

We will provide assistance to make the transfer as smooth as possible, but we cannot be held responsible for arrangements and programs owned by other institutions.

We only list pathways for current Canadore programs. If you do not see your program listed do not hesitate to contact Canadore's Pathway Officer.

Students and graduates who are looking to turn their diplomas into degrees and need support, can contact Canadore College's Pathway Officer:

## Testimonial Nicholas Kathen

Recreation Therapy  
Graduate 2018  
Pathway to Brock University

Canadore allowed me the opportunity to apply the knowledge that we had learned to a practical setting like in my placement at the North Bay Regional Health Centre in my final year. By attending university, I now have the opportunity to do more clinical placements, conduct research in the Therapeutic Recreation field, become a Certified Therapeutic Recreation specialist through the National Council for Therapeutic Recreation Certification, and finally, once I graduate, have a better chance of becoming a manager/director at an organization.

## Q&A

**Tell us what program and years you attended Canadore.**

I attended Canadore College from September 2016 to April 2018. While I was there, I was enrolled in the Recreation Therapy diploma program.

**What pathway did you take after Canadore?**

After graduating from Canadore I decided that I wanted to keep on attending school and learn more about the field that I grew so close to while at Canadore. I bridged from Canadore to Brock University. I'm now attending Brock and currently going into my fourth year of their Bachelors of Recreation and Leisure Studies with a major in Therapeutic Recreation.

# Pathways Chart Canadore College

Below is a chart of current Canadore College Programs (listed alphabetically) with all available internal pathways and formal articulation agreements. This transfer book is published annually and agreements are subject to change after publication. If you do not find a specific program or pathway, please contact the Pathways Officer for further information.

## Don't see what you're looking for?

Admissions and credit transfer offers are determined by the receiving postsecondary institution. Interested students are advised to contact the credential-granting institution directly for more information. These institutions are happy to hear from you!
