Looking for Advanced Standing into a Program?

You may qualify for advanced standing if you have completed part of a program (one semester or more) elsewhere, and you wish to continue the **same or similar** program at Canadore College. If you receive advanced standing, you will gain admissions into a higher semester.

Please note: Students may receive transfer credit or prior learning assessment and recognition (PLAR) credits for up to a maximum of 75% of their prescribed Canadore College program curriculum.

Process for Advanced Standing

- Apply through Ontariocolleges.ca and choose the advanced standing application option (**entry level 3**).
- Upon submitting your OCAS application, please contact the Pathway Officer, Micheline, at micheline.demers@canadorecollege.ca and indicate that you are requesting advanced standing based on your prior education
- You will be required to provide your **official transcripts*** and **full course outlines**. You may request to have your transcript sent to Canadore through OCAS. Alternately, you may request that your institution send an official transcript directly to our Admissions Office

* Official transcript must be received directly from the institution. You can request that your transcript be sent to the Pathway Officer by email at micheline.demers@canadorecollege.ca or fax at 705.494.7462. If hand-delivered, transcripts must still be sealed in the envelope provided by the institution.

Transfer TO Canadore College

Looking to Transfer One or More Courses?

Once you have been accepted to Canadore College, you may be eligible to transfer prior courses completed at other postsecondary institutions. We accept course from any postsecondary institution including international. You may also transfer credits from other Canadore Programs free of charge!

Please note: Students may receive transfer credit or prior learning assessment and recognition (PLAR) credits for up to a maximum of 75% of their prescribed Canadore College program curriculum.

Transfer Credit Considerations

In order to be eligible for transfer:

- Courses must share the same learning outcomes and similar content
- Courses must have a final grade of 60% "C" or higher (unless otherwise stated by the program)

Looking to Transfer General Elective or General Education Courses?

As a rule, General Education courses (or GEDs) are courses that:

- Do not share any learning outcomes with your current program and differ in theme and content,
- Are theory courses rather than applied (or hands-on) courses,
- Fit into one of the MTCU GED themes (Arts in Society, Civic Life, Societal and Cultural Understanding, Personal Understanding, or Science and Technology).
- Cannot have a pre-requisite course, and
- Must be at least 42 hours in length.

Looking to Transfer Communications or Other Courses?

The best place to start is for you to review our program curriculum and course outlines:

- **Curriculum** canadorecollege.ca/programs
- **Canadore course outlines** canadorecollege.ca/course-outlines

Please compare the Canadore course learning outcomes to the courses you have previously completed to determine if the courses may be equivalent.

Recreation and Leisure Services 2019 Graduate and former transfer student. Now enrolled in Business, her second credential.

I recently graduated from the Recreation and Leisure Services program and am currently in the two-year Business program.

I transferred from Algonquin College... the Recreation program at Canadore had more variety then the one at Algonquin.

I like how personal the professors are. They get to know you and it really feels like they care about each student. Other institutions are bigger and you often feel like a number, even at a college where there are supposed to be smaller classes and it's supposed to be more interactive.

Q&A

Tell us what program and years you were at Canadore.

I recently graduated from the Recreation and Leisure Services program and am currently in the two-year Business program. I'll be at Canadore from 2017 to 2020.

Tells us why you transferred from another institution to Canadore?

I transferred from Algonquin College to get out of Ottawa. The Recreation program at Canadore had more variety then the one at Algonquin.

Transfer Credit Process

Although we accept transfer credit applications at any time, to ensure you get the results before the semester drop deadline, applications are due 15 business days prior to the start of each semester. View all important dates and deadlines.

1. You will need to submit an official transcript for non-Canadore institutions if you have not done so when you applied for your program. Official transcripts must be received directly from the institution. You can request that your transcript be sent to the Pathway Officer by email at micheline.demers@canadorecollege.ca or fax at [705.494.7462](tel:705.494.7462). All hardcopy transcripts must remain unopened in the sealed envelope provided by the institution. Transcript from international postsecondary institutions must be assessed by one of the following credential assessment services:
 - International Credential Assessment Service - www.icascanada.ca
 - University of Toronto - www.utoronto.ca
 - World Education Services - www.wes.org
2. You will need to submit full course outlines for each non-Canadore course being reviewed. Please attach the course outlines to your application. These are the detailed descriptions (or syllabi) provided by the institution when you enrolled in the course.
 - They should include a list of learning outcomes and/or a list of all topics covered in the course.
 - Your course outlines should be from the same year and indicate the same title and course code as what appears on your transcript.
 - If you did not keep these from your studies, and they are not available online, you may have to contact your prior institution to re-acquire these.
3. The transfer credit fee of \$25 (for one course) or \$50 (for two or more courses) is due at the time of the application. Payment is only required for courses transferred from other institutions. Canadore to Canadore transfer credits are completed at no charge. Please note: The approval of a transfer credit will not result in a reduction in tuition if you remain full time.

How to make the payment

- a. **In person** (cash, debit or credit card) at the Admissions Office.
 - b. **Over the phone** (by credit card) with an Admissions Representative at [705.474.7600](tel:705.474.7600) ext. 5123.
 - c. **Through your Canadore Self Service account** with a credit card. The link to Self Service is available at the bottom of the main [Canadore College webpage](#).
 1. Log in and click **"Student"**
 2. Click **"Student Account"**
 3. Click **"Make a Payment"** and enter your credit card and amount details.
4. New for fall 2019, we have an online transfer credit application. Follow this link to complete your online [Credit Transfer Application](#). Please note that you must complete one application per course.
 5. Transfer credit results may take up to four weeks to receive by email. We strive to get most results to students within 10 business days. **You cannot drop a course before you receive the official results. Keep attending classes until notified of the application outcome.**
 6. If your credit transfer is approved you will be required to drop the course. Please see admissions to drop the course. Failing to withdraw from a course which you are no longer pursuing will result in academic penalty and a grade of "R". **If transfer is denied you must complete the class.**

For MORE information on Credit Transfer, please contact the Pathway Officer, Micheline at Micheline.demers@canadorecollege.ca or [705.474.7600](tel:705.474.7600) extension 5139.

Earn College Credit Through Life Experience - PLAR

Prior Learning Assessment and Recognition (PLAR) evaluates learning acquired through life experiences such as work, training, independent study, volunteering, travel, and military service. PLAR may help you to gain credit for courses where you can demonstrate that you have met the course learning outcomes through your life and/or work experience recognized through credit transfer.

The PLAR Process is Four Steps

1. Self-assessment and PLAR approval
2. Register for PLAR and pay PLAR fee (\$115.00)
3. Meet with assessor (may be through email)
4. Complete assigned coursework. PLAR requires academic work such as a portfolio presentation, challenge exam, practical demonstration or other assessment method.

PLAR may take up to three months (or the length of the standard course) to complete and receive credit (depending on the length of the course and the time taken to prepare the assessment). Complete information on the PLAR process can be found on in our [PLAR Student Guide](#). To start the process you must contact the Pathway Officer, Micheline at micheline.demers@canadorecollege.ca or [705.474.7600](tel:705.474.7600) ext. 5139.

In addition to the Canadore's formal agreements, you will also find Ontario wide pathways offered to college student listed on [ONTransfer.ca](https://ontransfer.ca). ONTransfer.ca is a service provided by the [Ontario Council on Articulation and Transfer \(ONCAT\)](https://ontransfer.ca) to connect current and prospective students to transfer opportunities within Ontario's 45 publicly assisted Colleges and Universities.

No Pathway, No Problem!

You are not limited to the pathways opportunities listed in the Canadore College Pathway Guide, or on [ONTransfer.ca](https://ontransfer.ca). You can always contact the admissions department at your desired institution to find out about your credit transfer options.

About this Guide

At Canadore, we strive to accurately publicize our formal agreements and have pathways that are beneficial to our students. However, students are advised to conduct their research carefully and examine the details of the agreement in which they are interested. It is the responsibility of the student to communicate with the receiving institution, to confirm that any information is current and to ensure the agreement meets their needs. Please note that the receiving institution has the right to terminate the agreement or change any requirements of the agreement including and not limited to, admissions requirements, grades, and credits received.

We will provide assistance to make the transfer as smooth as possible, but we cannot be held responsible for arrangements and programs owned by other institutions.

We only list pathways for current Canadore programs. If you do not see your program listed do not hesitate to contact Canadore's Pathway Officer.

Recreation Therapy Graduate 2018 Pathway to Brock University

Canadore allowed me the opportunity to apply the knowledge that we had learned to a practical setting like in my placement at the North Bay Regional Health Centre in my final year. By attending university, I now have the opportunity to do more clinical placements, conduct research in the Therapeutic Recreation field, become a Certified Therapeutic Recreation specialist through the National Council for Therapeutic Recreation Certification, and finally, once I graduate, have a better chance of becoming a manager/director at an organization.

Q&A

Tell us what program and years you attended Canadore.

I attended Canadore College from September 2016 to April 2018. While I was there, I was enrolled in the Recreation Therapy diploma program.

What pathway did you take after Canadore?

After graduating from Canadore I decided that I wanted to keep on attending school and learn more about the field that I grew so close to while at Canadore. I bridged from Canadore to Brock University. I'm now attending Brock and currently going into my fourth year of their Bachelors of Recreation and Leisure Studies with a major in Therapeutic Recreation.

Pathways Chart Canadore College

Below is a chart of current Canadore College Programs (listed alphabetically) with all available internal pathways and formal articulation agreements effective July 2019.
