There shall be no reprisals, retaliation or threats of reprisals against individuals who are pursuing their rights under the policy, participating or cooperating in an investigation, associating with someone who has pursued rights or participated in the process, or acting in any role under the policy.

2. Resolution Principles

- 2.1 Most complaints are resolved through **open and honest communication between individuals** when and where the issue occurs.
- 2.2 The college believes that **most complaints by students and staff can be effectively managed within their academic area or department**. Accordingly, members of the college community are encouraged, whenever possible, **to speak up and resolve issues directly with the person who is the subject of their concern**.
- 2.3 The college has the right at any time to take action that may diverge from this policy, even if the complainant decides not to pursue his/her complaint. **The college may take this action in the event that the safety of the college community is at risk or the violation is deemed to be so serious that it is imperative that immediate action be taken.**
- 2.4 This policy is not to be applied in such a way as to limit the right of college administrators to manage the college. If necessary disciplinary action may be taken in accordance with the Faculty and Support Staff Collective Agreements, Administrative Terms and Conditions of Employment and applicable Academic Policies for students.
- 2.5 During any or all stages of resolution, a support person may accompany either party. A support person may be a co-worker, friend, legal counsel or a union or student government representative. The role of the support person is to provide advice, support and assist in the resolution process.

- 2.6 The time limits set out in the Resolution Procedures of this policy refer to calendar days and exclude the period from Christmas Day to New Year's Day. These time limits may be extended by mutual agreement of all parties.

3. Resolution Procedures: Step 1

- 3.1 If a violation of the policy (as described in this procedure) is believed to have occurred, **employees** should contact the Director of Human Resources and **students** should contact either the Director, Student Services or the Director, First People's Centre (FPC) or their designates (referred to as "Advisers").

Note: If there is an immediate threat of assault or violence, please contact Campus Security Services directly at ext. 5555 or via cell phone at 705-498-7244. You may also refer to the [C-31 Sexual Assault and Sexual Violence Policy](#).

- 3.2 Complaints should be made as soon as possible but no later than **six (6) months** from the date of the incident.
- 3.3 Advisers will hear the circumstances of a complaint. After this consultation, the complainant may decide to:
- Take no further action;
 - Request in writing that the Adviser seek an informal resolution; or
 - File a formal written complaint with the Adviser requesting a **Step 2** inquiry. (PB-11 Procedures – Respectful College Community Policy – Complaint Form)
- 3.4 If the complainant requests an informal resolution, the Adviser will direct an investigation of the complaint and will inform the respondent of the complaint. The investigation will normally be completed within **thirty (30) days** of receiving the request from the complainant.
- 3.5 Informal resolution may include:
- Counselling for the parties
 - Communication with the respondent on behalf of the complainant
 - Mediation or other resolution process

Both the complainant and respondent must agree to the informal resolution.

- 3.6 If informal resolution is not reached, the complainant may file a formal written complaint with the Adviser requesting a **Step 2** inquiry.
- 3.7 The Adviser may initiate a **Step 2** inquiry without the complainant's consent if there appears to be sufficient cause to warrant such action.
- 3.8 If the Adviser determines that there is no basis for the complaint, the Adviser may terminate the investigation and will provide a written report to both parties.

4. Resolution Procedures: Step 2

- 4.1 The complainant will file a formal written complaint with the Adviser requesting a formal inquiry. The complaint must include all relevant information such as dates, times, places and names of witnesses of the alleged incident(s).
- 4.2 Within **seven (7) days** of receiving the written complaint from the Adviser, the Director Human Resources or designate will inform the respondent that a complaint has been made and provide copies of the information received from the complainant. It is understood that the Director Human Resources will not be the same person who acted as the Adviser for the complaint.
- 4.3 Within **fourteen (14) days** of receiving the complaint, the respondent will respond in writing to the Director Human Resources who will provide the complainant with the response.
- 4.4 If a satisfactory response has been made, the complainant may choose to take no further action. If a response has not been made or if the response is not satisfactory, the complainant may request a formal inquiry of the complaint within **seven (7) days** after the time that a response was due from the respondent.
- 4.5 The Director Human Resources will select a 3-member Review Committee, ensuring appropriate gender or group representation.
- 4.6 The Review Committee will consider all evidence pertaining to the alleged violation, including oral and/or written submissions by the complainant, respondent, witnesses to the alleged incident(s) and any other evidence deemed relevant by the committee. The Review Committee may also consider the findings of the Adviser's investigation, if the complaint was investigated as part of the informal resolution process.
- 4.7 Within **thirty (30) days** from the appointment of the Review Committee, the Review Committee shall submit its written findings to the President. These findings will include suggested consequences that may range from complete exoneration of the respondent to disciplinary action, including dismissal or expulsion from the college.
- 4.8 The findings of the Review Committee will be by majority.
- 4.9 Within **two (2) weeks** of receiving the findings of the Review Committee, the President will convey the decision in writing to all parties. At any step of the procedure the college maintains the sole discretion to refer the investigation of a complaint to a third-party external investigator.
- 5.0 In cases of workplace violence or harassment, a Ministry of Labour (MOL) Inspector can also order the College to engage with a third-party to conduct an investigation as specified by the inspector.

Statement of Intent

1. Decisions may be appealed through established policies and procedures including the provisions of existing collective agreements or academic policies.
2. Frivolous, vexatious or bad faith complaints may result in disciplinary action.
3. There will be no reprisal for complaints made in good faith.
4. Confidentiality shall be maintained to the extent possible, allowing disclosure as necessary for investigation and resolution purposes.
5. In the case of workplace violations, complainant and respondent workers will be informed of conclusions including results and nature of any corrective actions.
6. This procedure will be reviewed as often as necessary and at least annually in consultation with the JØHSC.
