

Canadore Student Health Form Instructions

$oldsymbol{1}$. Collect your immunization records.

For domestic students, you can obtain your vaccination records from your local public health unit: https://www.canada.ca/en/public-

<u>health/services/immunization-vaccines/vaccine-records-access-vaccination-history.html</u>. Covid-19 vaccination records can be obtained here:

https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19/vaccines/vaccine-proof.html#a1

For international students, collect any/all documentation you can find related to your vaccination history which will help streamline the process as much as possible.

2. Book an appointment with your healthcare provider.

If you do not have access to a healthcare provider, you can receive service on campus through Canadian Shield Health Care Services by booking an appointment. To book, go to https://cshcs.inputhealth.com/ebooking#new or call the clinic at 705-923-2770.

3. Present the Canadore Student Health Form and any immunization records to your healthcare provider at your first appointment.

Ask your healthcare provider to review the requirements with you.

Determine if any requirements are missing and obtain those requirements.

This may take several appointments and can take several weeks or months to complete. Once all the requirements have been met, ensure your healthcare provider documents your compliance and initials/signs the Health Form in all of

4. Submit your completed Health Form along with your other Non-Academic Requirements per instructions from your Faculty and/or Placement Coordinator.

For more information, see your program Non-Academic Requirements Package or visit the Placement website: https://www.canadorecollege.ca/programs/Placement/
