**NOTE** • College-to-college comparisons (ranking) could produce misleading results because of college size, local employment conditions, program mix and graduate demographics. The data from each college should be considered on its own.

\* The 2020-21 KPI graduation rate is based on students who started one-year programs in 2018-19, two-year programs in 2016-17, three-year programs in 2014-15 and four-year programs in 2013-14, and who had graduated by 2019-20. The 2020-21 KPI graduation rate is based on students who had been funded through the college funding framework, Second Career or the co-op apprenticeship diploma.
