**NOTE** • College-to-college comparisons (ranking) could produce misleading results because of college size, local employment conditions, program mix and graduate demographics. The data from each college should be considered on its own.

\* The 2019-20 KPI graduation rate is based on students who started one-year programs in 2017-18, two-year programs in 2015-16, three-year programs in 2013-14 and four-year programs in 2012-13, and who had graduated by 2018-19. The 2019-20 KPI graduation rate is based on students who had been funded through the college funding framework, Second Career or the co-op apprenticeship diploma.
