See and Do at YZD

With winter in full swing, YZD is the ultimate destination for family fun this February long weekend. With a full lineup of activities to celebrate Family Day, there's something for everyone to enjoy.

Last Chance for Hangar Skate

With over 8,000 people already enjoying the winter fun, we're gearing up for our **final two weekends** of Hangar Skate. Don't miss out on your last chance for DJ skate nights, free skating lessons, indoor programming, and all the winter excitement.

Join us for weekends of fun through Family Day—we can't wait to see you on the ice!

Weekend Highlights:

Fridays: DJ Skate Nights

Skate to live DJ sets under dazzling lights, plus enjoy youth-friendly events in the YZD Experience Centre and Community Hall, including Open Mic nights, dance classes, and arts programs by [Just BGRAPHIC](#).

Saturdays & Sundays: Free Learn to Skate Lessons

Join H2 OM for free skating lessons from 1PM - 4PM, with instructors on hand for skaters of all levels. Plus, explore drop-in arts programming with ArtStarts (Saturday) and 2-Spirited Peoples of the First Nations (Sundays).

Family Day Monday: Final day of Hangar Skate. Close out the season at YZD, the rink is open 12PM - 5PM with indoor drop-in arts programming.

Skating is always free, and skate rentals are just \$5.

Coming Up Next: Kids Coding School

Coming up – make YZD part of your weekend plans! Join us every Sunday from 12PM – 5PM at the YZD Experience Centre for free events, programming, and pop-ups as part of Weekends at YZD.

First up, **Welcome to the Future**. YZD and Kids Coding School are excited to introduce STEM (Science, Technology, Engineering, and Mathematics) programming every Sunday in March at the YZD Experience Centre, giving young people practical, hands-on learning experience to help them thrive in a tech-driven world.

Classes are free and recommended for ages 5 to 14. Limited spaces are available, so sign up early to snag a spot.

Have Your Say: Wilson District Survey

Help us shape the future of YZD's second neighbourhood – the Wilson District. This transit-oriented district will connect YZD to the TTC's adjacent Wilson Subway Station and the city's broader transit neighbourhood, and we're looking for your help to transform this blank canvas.

Take the survey and let us know what's important to you in an ideal neighbourhood. The survey link closes at the end of February.

In The News:

Shifting the Centre of Gravity North

Northcrest's Chris Eby recently sat down with Challenger Cities host, Iain Montgomery, to explore the need to build multiple hubs in Toronto instead of relying on one singular downtown core. They discussed how neighbourhoods and hubs, like YZD, centered around housing, employment and great public spaces will help shift the centre of gravity north.
