Join us for Runway Reels, Landing October 3 and 4

Runway Reels

October 3 & 4, 2025 | YZD Runway

Join us for one weekend only on October 3rd and 4th for an open-air drive-in experience, with a twist. Set against the iconic YZD Hangars, you can walk in and sit in style on our lounge-style seating or opt for the classic drive-in experience in your car, under the stars.

Enjoy Titanic (1997) on Friday or Lilo & Stitch (2025) on Saturday — or make a weekend of it and catch both! *Complimentary programming, signup required.*

PLUS: Sign up before September 19 for your chance to win!

You'll be automatically entered to win a family 4-pack to Titanic: The Artifact Exhibition — the perfect prelude to Friday's feature — or a family 4-pack to Bubble Planet to pair with Saturday's Lilo & Stitch (2025). We're proud to support our partners at Exhibition Hub, who bring these spectacular exhibits to life at YZD.

Book Now

Savour September at YZD

This September at YZD, there's something for everyone.

[Weekend Workshops](#) return with Create with Nature on Saturdays and hands-on STEM learning on Sundays — from bug robots to mini LED projectors. Don't miss your last

chance to experience John Notten's Runway Rivers and the inaugural YZD Farmers' Market, now closing on September 27. *Learn more and sign up below.*

The Hangar District is Full Steam Ahead

YZD has reached a major milestone – Toronto City Council's official endorsement of the Hangar District – the first of seven districts set to transform the former Downsview Airport lands. From jobs and housing to adaptive reuse and public space, this is an exciting step forward for YZD.

Making Space: A Mural Rooted in Accessibility

Accessibility is a key component of Northcrest's city-building approach. So when local Toronto muralist, Leyland Adams, approached Northcrest with an idea for a mural for the blind, it was an immediate yes.
