

## Kristy Shortall

Senior Vice-President, Development

Kristy has 15 years of experience in securing approvals and managing real estate projects for a variety of development projects, most recently as VP, Development at Metropia, where she was responsible for managing the professional teams, reporting project progress to Partners and the Board; coordination, negotiation and communication with municipal/regional representations; organizing public consultation sessions; and assisting with development agreements across 12 projects representing over 18.4 M sq ft of GFA and 10,633 homes. Prior to joining Metropia, Kristy was a Project Manager at MMM Group Limited.

She is a full member of the Canadian Institute of Planners and the Ontario Professional Planner's Institute, a LEED Green Associate, as well as a representative for the Toronto chapter of BILD. Kristy is also an active member of the Urban Land Institute.
