 Elementary & Middle School Science Education  
 Secondary Science Education  
 Informal Science Education

# INTERNATIONAL GRADUATE PROGRAMS

TRANSFORMING  
LIVES  
THROUGH  
EDUCATION

### It's Better at The Beach!

- ▲ Ranked #3 Public University in the West (*U.S. News & World Report*)
- ▲ Named a "Best in the West" university (*Princeton Review*)
- ▲ Named a "Best Value College" (*Kiplinger's Personal Finance*)
- ▲ CSULB receives more applications than any other California State University campus

### Discover a New World at The Beach!

CSULB is located in beautiful Southern California, USA. Long Beach offers a safe, suburban learning environment within the greater Los Angeles region.

### How much does it cost for one academic year?

**Tuition and Fees:** \$14,620

**Estimated Living Expenses:** \$18,224

Fees are subject to change. Additional fees may apply for some programs.

### Am I eligible?

**English Language Requirement:** Cambridge 169, TOEFL iBT 80, IELTS 6.0 each subsection, PTE 58, or completion of American Language Institute Level 6. Conditional Admission is offered through CSULB's American Language Institute for select graduate programs.

**Minimum GPA:** 2.5 (recommended 3.0) for the last 2 years of university coursework.

Some graduate programs may also require GRE or GMAT or have a higher GPA requirement.

### How do I apply?

Apply online at [CalState.edu/Apply](https://CalState.edu/Apply). Fall application period: October 1–April 1. Spring application period: August 1–October 1. Many graduate programs have earlier application deadlines. Visit [CSULB.edu/international](https://CSULB.edu/international) for more information.
