

MANDATORY HEALTH INSURANCE

Health Insurance Consent Form

Due to the high cost of U.S. medical care, California State University, Long Beach (CSULB) requires all international F-1 and J-1 visa students to purchase and maintain adequate health insurance coverage by the first day of classes. Coverage is offered by the approved broker, Alliant through the International Student Health Insurance group policy and the carrier **UnitedHealthcare (UHC)**.

To avoid the threat to the financial obligations uninsured international students face and to maintain your immigration status, please read the information below and sign to indicate your acknowledgement and consent:

I understand that as a student at the American Language Institute, I am required to provide proof of health insurance enrollment offered at CSULB. If I do not enroll for the required health insurance, I will not be enrolled in classes and will not be able to participate in the program. As a result, I may be in violation of my immigration status which may lead to termination of my legal status in the U.S.

*Please note: No other health insurance carrier will be accepted unless you have received a CSULB-approved government scholarship letter stating health insurance coverage.
