Before and After School Enriched Daycare Program

## Dear new parents to Edinburgh,

A new school year brings such excitement and the pleasure to welcome new students. This new school year will bring many a new adventures, challenges, and exciting discoveries as we explore, inquire, play, and safely learn together. The purpose of this letter is to introduce to our new parents the B.A.S.E. program and let parents know registration is now open for the upcoming school year. B.A.S.E. is our Before and After School Enriched Education program. Our coordinator is Marco DeCrescentis. The role encompasses the management of both lunch and B.A.S.E.

## What is B.A.S.E?

The English Montreal School Board's B.A.S.E. (Before and After School Enriched) Daycare Program is a Quebec government subsidized supervision service offered outside regular class hours for preschool and elementary school children. Its objective is to enhance the lives of children ages 4-to-12 years old by providing them with enriching educational activities. At the Core B.A.S.E. is to provide: Provides a welcoming and nurturing environment that ensures the safety and general wellbeing of the children served; Complements and contributes to the achievement of the school's commitment to success plan; Promotes a culture of student success by coordinating activities and recreational projects pertaining to the six educational cores: Homework and Snack, Creative Arts, Media Awareness, Physical Activity, Environmental Consciousness and Specialty Programs, such as those tailored for children with special needs. All of these programs contribute to the children's overall development. Encourages the development of the children's social skills, such as respect, cooperation and openness to others; Offers homework support after school by providing students with an appropriate place in which to work and the time and materials they require; Builds a professional teaching community that contributes to early childhood education and care by enhancing the competencies of the daycare staff through continual professional development and mentoring programs.

## Examples of activities in B.A.S.E.

- Homework assistance
- SportsLife
- Garden club
- Theme projects
- Educator run activities (art, baking, cooking, science, environmental projects, student leadership, etc.)
