- Parents are permitted to come in but are asked to stay in the doorway. Please allow the staff member to Buzz! In the parent. We want to ensure that someone is not being let into the building that shouldn't be.
- As the weather is getting nicer. Understandably children want to play for a time. I'd ask please that it is not done in the [pickup away. Parents move to the grass with their children.

HopHop

- HopHop is a great tool to have your child(ren) start getting ready while you're making your way. Especially during the winter with many layers to dress! HopHop will offer a great option to cut the wait time. Find the information to sign up on the school website under BASE.

Changes in schedule:

- if your child(ren) will not be attending BASE on a given day, as per their regular schedule, parents are asked to advise **both** the school (514-486-0981) and BASE (514-788-0024);
- please communicate any last-minute / same-day changes (to both the school and to BASE) **no later than 13:30** so that all relevant parties (i.e. child(ren) and adults) can be duly informed.

Morning Drop off/Afternoon Pickup:

Parents are asked to:

- **not congregate in the entrance way**, including on the path leading from the sidewalk to the gate while waiting for your child(ren);
- **refrain from having children play and/or assemble in groups** in that area.
- **depart promptly** from the entrance and pathway once your child(ren) have been collected from the daycare;
 - those who remain around the entrance and pathway prevent daycare staff from identifying who has been picked up and who is still waiting.
- **Safety of the children arriving and leaving BASE is all our responsibility** please be vigilant of the students arriving and leaving BASE. It is imperative that the rules of the road are followed for their safety. Please drive slowly and respect school zone speed.

Please help us ensure the security and safety of all BASE students by following these measures during afternoon pickup.
