Principal's Message

Upcoming Events

Dear JCA Community,

As the season changes and spring blooms around us, we are planning some special celebrations to embrace JCA's student success and accomplishments.

Our upcoming Science Fair is just around the corner! Students have been working hard on their projects and experiments. Get ready to explore the fascinating world of science with us on Thursday, May 1st. I would like to congratulate all our participating students and our amazing Science teacher, Mr. Stefano!

We are excited to announce that our storytelling sessions have been a huge hit with the students. Encouraging creativity and imagination through storytelling is a wonderful way to engage young minds. Congratulations to Victoria Federico (Grade 5) and Gianmarco Di Zazzo (Grade 6), who will represent JCA at the Regional Story Telling event.

We want to take this opportunity to express our heartfelt gratitude for your continued partnership and support. Thank you for entrusting us with your children's education. Together, we can create a strong foundation for their future success.

Warm regards,

Sonia Marotta
