## Local (Walking) Field Trips – Parental Authorization

Dear parent / guardian,

During the school year, teachers may take their classes on local field trips within walking distance of the school (*i.e.* local parks, Montreal-West Children’s Library, *etc.*). Students in BASE may also participate in these types of excursions but rest assured that Mr. Marco and our teachers will communicate this specific information prior to each activity.

Please complete and sign the authorization form below and return it to your child’s teacher by **September 8, 2023**.

Children without parental authorization **or** whose signed forms are not returned must remain at school, where they will be under the supervision of another teacher.

Please note that for any field trips requiring bus transportation, parents will be notified well in advance and a separate permission form will be sent home for each trip.

Thank you.
