SPRING NEWSLETTER 2025

Greetings to all!

Spring is in full swing, and our school is buzzing with excitement! Our classrooms are alive with engaging activities, from hands-on science experiments to creative writing projects and interactive group learning.

We're especially looking forward to two major upcoming events: our Senior Spring Concert, showcasing our students' musical talents, and the always-entertaining Talent Show, where students get to shine in their own unique ways.

A reminder to families of Grade 6 students: End-of-cycle exams begin at the end of April. It's important that all students attend school regularly and on time to ensure they are well-prepared and supported during this important academic period.

Thank you for your continued partnership—we're proud of all that our students are accomplishing this season!

Sincerely,
MS. DELIS

Literacy Grant

The Ministry of Education has once again given all schools a grant to promote literacy. The funds go towards the purchase of books for all homeroom classes. The orders have been placed and the beautiful books have begun to arrive! We are excited to have this opportunity to refresh our classroom libraries and offer new and exciting books for our students to enjoy!

Phys. Ed News with Mr. T

Mr. T is hard at work training the students who will be participating in a 2km run at the Halo Road Race on May 8th. The practices are held during lunch and students will be racing against schools across Montreal.

Soccer fever is alive and well at Coronation. Mr. T is practicing with our soccer team weekly to help them prepare for the games held on the weekends at the Cote-Des-Neiges Sports Complex. Come support our team!

You are invited!

The Spring Concert will be held on Friday, May 9 at 12pm in the school gym. Parent volunteers will also be holding a bake sale and all proceeds will go towards the K5 and Grade 6 graduations.

The Annual Talent Show will be held on May 22 at 6:30pm in the school gym. The Kids 4 Social Change committee will be holding a fundraiser and all proceeds will go to a charity of their choice.

CONGRATULATIONS!

Two of our Cycle 3 students, Talia Ali and Émilie Piaget represented our school in this year's Storytelling Fair. They shared their personal narratives in front of all west end elementary schools.

CLASSROOM NEWS

BULLETIN BOARD CREATED BY FABIOLA LAMOTHE

PRE-SCHOOL-K5: Immersion Class

Culture in the school

An artist, Ms. Jessica Houston in conjunction with Culture in the Schools, animated art activities with the preschool students (K4 and K5). The focus is on animals and their friends.

Mother's Day

In honor of Mother's Day, the preschool students will host a special gathering with refreshments on May 2nd in the cafeteria.

Field trips

ECOMUSEUM ZOO: Friday, April 25 (K5)

PLANETARIUM: Tuesday May 20 (K5)

CEPSUM: Friday, May 30 (K5 & cycle one classes)

Cycle 1

Spring is finally upon us, and exciting events are happening in Cycle 1! To celebrate Canadian Children's Book Week, we will be welcoming illustrator Carmen Mok to our grade 2 classes. The activity she will be doing with them is called Brave and Bold: Turning Feelings into Art, and it will be based on the book Violet Shrink, which she illustrated.

In May, all of the Cycle 1 classes will be making stained-glass inspired art with visual artist Anouk Looten. We are fortunate to have these talented individuals coming to Coronation!

En préparation pour la journée de la Terre, la classe d'immersion a exploré les différentes façons de protéger notre planète à travers des discussions, des projets d'art et des travaux à l'écrit.

Cycle 2

The Cycle 2 students of Rooms 223 & 227 have been busy learning about historical events that cover both natural and man-made disasters by reading The I Survived series of books. Stories are told through the eyes of a kid who lived to tell the tale. Students have been showing great interest and they are fully engaged in their work producing a research report of the event. Thereafter, a media representation and oral presentation will follow. The students have also produced a variety of poems and a collection will be submitted to the EMSB's Poetry Contest coming up in May. Good luck to all.

CLASSROOM NEWS

Cycle 2 (Continued)

Room 214 has been full of activity this season! Students worked together to solve group puzzles, building their teamwork and collaboration skills. As part of our environmental studies, they researched global issues, wrote essays, and created newsletters to raise awareness about challenges our planet is facing. We also explored spring poetry, using descriptive language to capture the sights and sounds of the season. It's been a great mix of creativity, learning, and working together.

Grade 3 in room 216 has been celebrating poetry month by getting creative and writing spring Cinquain Poems. Grade 3/4 in room 205 has been learning about Aesop's Fables. They have written their own unique fables and will be reading them to all the grade 2 students.

Cycle 3

Grade 6 Graduation preparations have begun! Many of our students have joined the Yearbook committee and the Graduation Art committee and meet weekly to work on the yearbook or decorations for their graduation day.

The End-of Cycle exams are beginning April 25th and students are starting to get into exam mode. The exams will continue through May and June. We got this!

Cycle 3 students immersed themselves in the arts this term. They visited the Musée des Beaux-Arts and discovered the beautiful and creative works of Joyce Wieland. They also had the opportunity to create their own Wieland inspired masterpieces.

We have welcomed two artists who worked with the students to create a harmonious mosaic which will be hung in the cycle 3 hallway. Lastly, room 206 will collaborate with an artist to create a mural for their classroom. What a busy artistic month this has been!

CLASSROOM NEWS

The Grand Défi Pierre Lavoie

This year, our school will participate in "the Grand Défi Pierre Lavoie", which aims to inspire people of all ages to live healthier lives. They focus on getting schools involved to help kids make healthy choices regularly, so these habits become normal for future generations.

In the next 3 weeks (**April 28th to May 19th 2025**), our students will participate in the Energy Cubes Challenge. Any activity that increases your heart rate will earn you Energy Cubes. Run, walk, jump, swim... any way you can to get moving! Each week, record your Energy Cubes in your Student Logbook and return it to your teacher at the end of the Challenge. For every 15 minutes of activity, you earn an energy cube. If your parents or siblings are active with you, you double your amount of cubes. For more information, go to the [Parent Zone](#) section.

And guess what? The more energy cubes accumulated, the better chances our school will have of winning a grand prize! Put your sports shoes on and get moving!

A Message from Kids 4 Social Change

Hello Coronation Family! We have a couple of exciting announcements to make!

First, we are holding a book drive, starting on May 1, 2025. The idea is that your children can donate books to share with others. Warning: you will not get your books back... but, for every book you donate, you can take a different one home!

Second, on May 22, 2025, at 6:30PM, Coronation will be holding its 51st annual Talent Show... JK, it's only the 7th!

We'll have Singing, Dancing, Magic, Comedy and, for the first time ever, Rapping! The admission fee is only 2\$ per person, but we'll also be selling popcorn and other treats!

Don't worry, your money is in good hands. All proceeds will go towards the Alzheimer Society of Canada.

We hope that you and your family will be able to make it to this fantastic event! See you there!

-K4SC (Kids for Social Change)
