## ROAD SAFETY NEAR SCHOOLS

### Do you drive your child to school?

You play an important role for all schoolchildren.

### Are you in a rush?

Be extra careful when driving near the school.  
Your behaviour could prevent a collision.

### To ensure safety, you must:

- >> Pay attention to the children moving all around you;
- >> Respect the speed limit of "30 km/h";
- >> Respect the areas reserved for school buses;
- >> Respect the parking areas and never double-park to get your child in or out of the car;
- >> Cross at intersections or crosswalks;
- >> Respect the signals of the school crossing guard. Crossing guards are there to ensure your safety and the safety of the children;
- >> Make sure your child properly wears the seat belt.

**Show exemplary driving behaviour!  
SET AN EXAMPLE FOR YOUR CHILD!**
