For grade 1 students - Media Class

Dear parents,

As of grade 1, students may need to wear earphones/buds in the media lab depending on the activity or project they are working on. Please note that sound levels will be monitored.

Although the school will provide earphones/buds, please note they will be used by other students. Therefore, if you wish, you can purchase a pair of earphones/buds (**not headphones**) for your child resembling one of the pictures below. Earphones need to be identified with the child's name and will be used by your child only. **Before sending them in, please have your child try them on at home to see if they fit properly.**

All earphones will be stored in the lab and each set will be placed in separate zip lock bags (zip lock bags will be provided by the school). Note that earphones can be used for many years. Also, all earphones will be returned home only until the end of grade 6. If by chance the earphone becomes damaged over the years, it will be sent home and you may purchase a replacement. We recommend that you do not purchase expensive earphones as the school will not be responsible if they are lost.

Thank you!
