Teachers at the Willingdon Elementary School in NDG are holding up their end of a fun, though embarrassing, bet with their students.

After the kids raised more than \$26,000 for this year's Terry Fox Run, they got to have some fun with the teachers, including covering one with ketchup and mustard and duct-taping the school's secretaries together.

On Friday, students also got the chance to throw pies at their teachers and shaved the head of the school's physical education teacher, Miss Belinsky.
