TRAVEL TALES

(Continued from preceding)

First came some pistachio crusted sea scallops with lemon marmalade. That was followed up with some refreshing bowls of fruit and vegetables mixed together with a vinaigrette sauce. Next came a grilled local swordfish with coconut risotto, bok choy and guava cream. I have always been a fan of swordfish and this combination with the risotto was just perfect. The chef recommended we try some steak. The wood-grilled Delmonico was cooked an absolutely perfect medium, with sherry creamer potatoes, rainbow carrots and a delicious sauce.

This was a meal that indeed exceeded our expectations.
