Upon entering the Mosaik Parent Portal, a message will prompt you to register your child/ren for school.

*Please note, this part is **obligatory and must be completed in order to register for daycare**, even though you have already registered with the school in February.*

Click on the Registration button and follow the directions.

Once you have registered to the school, it will prompt you to register for daycare.

If you will be requiring daycare services for the 2020 -2021 school year, please complete the information requested.

If you will not be requiring daycare, please click on [Do not Register for Daycare](#).

### **IMPORTANT:**
