2. Before connecting

Before starting this process, ensure that you have already provided your ***email address*** to the school attended by your child. If not, please contact the school and ask them to add your email address to your child's record. Allow 24 to 48 hours for the information to be processed.

3. Site

3.1 Recommendation

It is highly recommended to consult the following link:

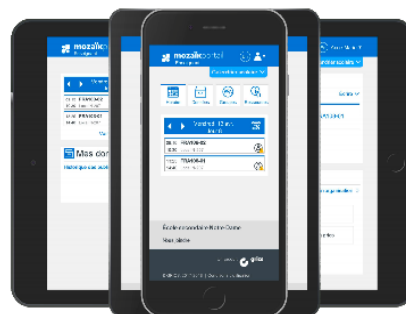

<https://portailparents.ca/accueil/en/aide.htm> before creating a new account if you did not register yet. This link encompasses some key information and a tutorial video.

3.2 Address

In order for the parents to access their child's/children's academic information, they must connect to the new Mozaik-Portal (<https://portailparents.ca/accueil/en/>).

This site is accessible from any mobile devices.

4. How to connect

4.1 Steps

4.1.1 Accessing

1 - Ensure that you are using the right language. To switch between languages, click on the [Fr](#) button.

2 - Click on the [Log in](#) button to access the login page.

4.1.2 Creating a new account

If you don't have an account yet to access this site, you must click on the [Create your account](#) link. Otherwise, enter your [Email Address](#), [Password](#) and click on the [Log in](#) button.

If you forgot your password, click on the [Forgot your password?](#) link.

4.1.3 Get a verification code

In the **yellow box**, you must type your email address that was provided to the school attended by your child. If you have forgotten the email address given to the school, please contact your child's school. Otherwise, click on the [Get a verification code](#) button. For verification purposes, a code will be sent to your email address.

Access to parents

[Need help?](#)
Before connecting, make sure that your school subscribes to the service.

Complete the following:

The Email Address must be the one you provided to the school.

Email Address
