

B.A.S.E. at Home

March 30th-April 3rd

Making Monday

Imperfect Fruit Smoothie

Instead of throwing away your bruised fruit, make it into a delicious drink.

STEAMY Tuesday

Baking Soda and Vinegar Volcanoes

Experimenting with acids and bases to create an explosion is a fun way to learn about science at home!

Wild Card Wednesday

Signs of Spring Scavenger Hunt

See how many items you can spot while on a walk and get your body moving!

BRAIN BREAK

Belly Buddies

Go ahead, take a break and enjoy!

Green Thursday

Hyacinth Bulbs

Watch these hyacinth bulbs plant themselves!

Artful Friday

Explore Mark-Making in Nature!

Spend time in a quiet area in the landscape. Observe what's around you. Be aware of your five senses. Use materials that you find to make marks. Materials can include branches, sand, leaves and grasses.
