

B.A.S.E. at Home

June 1 – June 5, 2020

Making Monday

Sourdough Bread

Watch Ms. Melina make sourdough bread!
The recipe is in the video!

STEAMY Tuesday

Pulley System

Create a simple machine and learn how opposites work by building a pulley system with Ms. Jodi!

Wild Card Wednesday

Garden Friends

Ms. Shannon introduces three interesting invertebrate garden friends that are not insects, and describes how to identify them!

BRAIN BREAK

Gratitude Practice

Gratitude practice to calm the mind...

Green Thursday

Learn About Pollination

Ms. Shannon shares a close-up video of a honeybee enjoying the nectar of Crabapple blossoms and gives a mini-lesson about pollination. What do you think our bee friends do with all of the nectar they collect?

Artful Friday

Egg Carton Puppets and Their Habitats!

Help take care of the planet by reusing egg cartons to create bug puppets! Ms. Jodi shows you how to create your own bug puppets and habitats for them to live in.
