Personal care and Well Being

Family Time!

We all need some cheering up so things we can do let's think about

> Here are some to discuss <u>family activity ideas</u>

over.

Home & community Life

Organization

As schools are scheduling pick behind, there is no better time to declutter and organize! up of personal items left

<u>organizing your belongings.</u> Click here for a visual guide to

Recipe of the

Week!!

Go on an **outdoo**r weather! to celebrate spring <u>items</u> in your backya <u>picnic with these</u>

can eat outside. you and your child cheese sandwich that <u>delicious pizza grilled</u>

Its always nice to bring he weather like today **book** outside with you

Communication

Gardening

a great way for families while promoting great to have fun together Gardening activities are up. It's time to plant! The weather is warming language opportunities.

> how-to guide to planting seeds. Click **here** for a

Flower Power

design using flowers and Suncatcher craft activ well as create a beautiful will learn core words as window with this Add some Spring to your In this activity your chil eaves

the video prior to the Click <u>here</u> to watch

<u>here</u> with visuals and core words can be found The activity guide

Multiple competencies/life areas may be covered in each activity. Please note: There are two choices of the activities being offered. Please look over both and choose the level that is most appropriate for your child
