exams

May 1:

Strings concert for Elementary
students at 5:00 p.m.

Strings concert for High School
students at 7:00 p.m.

OUR FACE MOMENTS

7E and 8E recently went to the Biodome to further their learning about ecosystems for their Science class.

We want to thank Ms. Annan and Mr. Santo for organizing this educational and engaging outing for our students.

REMINDERS FROM THE ADMINISTRATION

If your child is absent or is going to be late to school, you must notify your child's secretary as soon as possible. We review all absences during the first period of the morning. Please note that we do **NOT** use the Mozaik Portal attendance function.

- **For Kindergarten and Elementary students**, please contact Mme Renaud (ext.8009) or by email at face.primaire@cssdm.gouv.qc.ca .
- **For High School students**, please contact (Mme Durez) (ext.8735) or by email at face.reception@cssdm.gouv.qc.ca.

Absences: As we are in the final term of the school year, we would like to take a moment to remind you of the importance of consistent attendance during this critical period for our students. Term 3 counts for 60% of their final result. The final term is essential for both academic progress and final preparation for end of year evaluations. Students will be reviewing important concepts, completing projects, and engaging in assessments that will shape their final performance.

Attendance: Regular and punctual attendance is crucial during this term. Missing school, especially in the final weeks, can significantly affect your child's understanding of key topics. Students that are absent are asked to see their teacher upon their return to school. Teachers are not expected to provide work when students are absent from school for un-motivated reasons.

End-of-Year Assessments: Please ensure your child is present for any final exams, assessments, or projects. These play a vital role in their academic success. We encourage parents to contact teachers directly should they need further details.

Engagement: Encourage your child to remain engaged and focused as we enter the final stretch. If your child is struggling, please do not hesitate to contact the administration, A strong finish helps set the tone for their continued success!

Agenda Drawing Contest 2025-2026

We encourage all students to participate in our agenda drawing contest for next year. The deadline to submit their drawing is April 14th. We are looking for one drawing for the Elementary and one drawing for the High School agenda.

A special bonus for all high school students:

One lucky participant's drawing will be selected as the official poster for our FACE 50th anniversary next year! The foundation is pleased to offer a \$50.00 prize to this student.

Please note that April 28 at FACE is a regular school day.

Educational Project

The educational project is a strategic tool for defining and making known to the educational community of a school the orientations, priorities for action and expected results to ensure

the educational success of all students. It is developed in response to the characteristics and needs of the students attending the school and the community's educational expectations. The goal of the educational project of a school makes it possible to share, with all its educational stakeholders (students, parents, teachers other school staff and representatives of the community and the School Board), a common vision of findings and challenges to create a mobilization around student-centered goals and objectives. The Educational Project describes what the school intends to do to ensure the educational success and well-being of all its students and the efforts that will be necessary to achieve it.

You can find out educational project on our website at:

<https://face.emsb.qc.ca/face/about/edu-project>

Grade 6 End of Cycle Exams

A reminder to our 6E parents about their child's end of cycle exams:

- Français Langue Seconde – April 28th to May 3rd (Board Exam)
- English Language Arts – May 20th to June 3rd (MEQ Compulsory Examination)
- Mathematics – June 10th to 12th (MEQ Compulsory Examination)

It is very important to ensure that your child is present at school during the exam period.

Please avoid any family trips during the exam period.

Next Governing Board Meeting

Our next governing board meeting will be held on Monday, May 12 at 6:30 p.m. This meeting will be virtual. Members from the public who wish to attend can email their request to emsb.face.gb@gmail.com. for more information.

Have a great week!
