As part of school or center activities (classroom presentation, recreation, outings, extracurricular activities, trips, etc.), the English Montreal School Board requires your authorization to use your child's image for information and promotion purposes and for the use, reproduction and dissemination of various productions of your child.

In this context, parents must indicate their authorization for photos, recordings or videos of their child, knowing that they can be used free of charge, as the case may be, for publication or distribution according to the choices you have selected.

The authorization is valid for the current school year, but it can be revoked at any time, upon written notice.

CURRICULUM NIGHT – Sept. 19, 2024

The purpose of this first meeting is to allow all parents to hear from the teachers about their course content, how they operate in the classroom, their evaluation methods and their work and evaluation tools. Unfortunately, it will not be possible for the teachers to discuss your

child's specific needs. We invite you to share and communicate any concerns with the teacher first, and Ms. Tehbelian should the concern remain unresolved.
