COURSE:

English Language Arts 206-2E6

CLASS RESOURCES: Various texts (novels, short stories, poems, articles, plays, audio and visual texts). In Secondary 2 we use a selection of classic and contemporary texts. COURSE DESCRIPTION:

The Secondary English Language Arts program for Cycle One is first and foremost a literacy program. As such, it prepares students to make intellectual and aesthetic judgments, raise questions, articulate their thoughts and respect the ideas of others. Language is both a means of communicating feelings, ideas, values, beliefs and knowledge, and a medium that makes active participation in democratic life and a pluralistic culture possible, as noted in the Quebec Education program. Throughout the last three years of secondary education, the SELA1 program concentrates on the consolidation of the essential strategies, processes, knowledge and abilities that support lifelong learning. The objective of the English Language Arts program is to create student competency in reading, writing and speaking. Teachers will verify knowledge, skills and applications acquired by the students using a variety of formative and summative tasks. A mid-year in-house exam, as well as an end-of-the-year school board exam will be administered. In addition to the formal exams, students are evaluated regularly throughout the term with quizzes, tests, assignments, orals and discussion.
