NEW GROUPS for the LDVA REMIND APP

August 2020

Dear Parents/Guardians;

In this busy world as working parents it is hard to try and keep on top of our schedules and our children's schedules!

To keep you well informed, we will be posting reminders of important upcoming events and send you pics and clips of your children on a remind app. ***New this year, we have created separate remind groups per grade level so that you receive the information pertaining to your child(ren). Please register accordingly.***

To benefit from this service, simply text the number below and enter the appropriate code.

Pre-K and Kindergarten

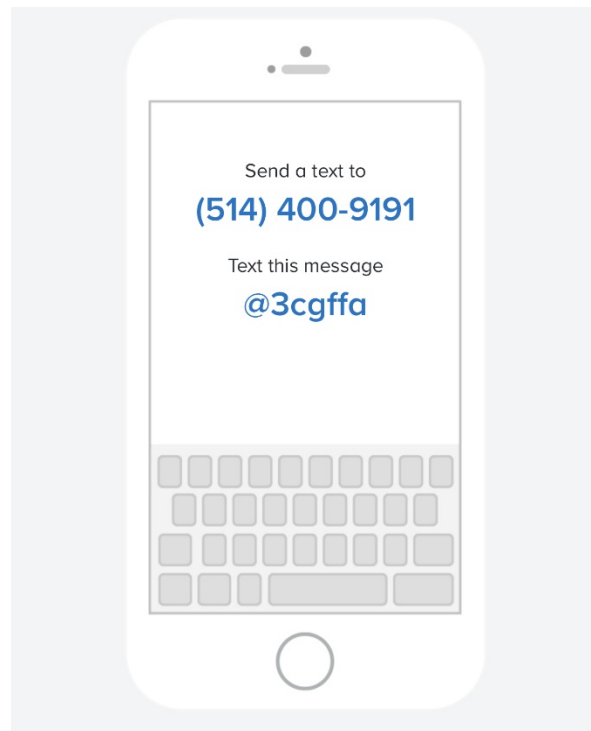

Please note last year's app will be archived and no longer updated on: August 31st, 2020

Please note that the Remind app is a one way communication. Please send us an email or phone call for any concerns or issues pertaining to your child.

Thanking you for your understanding and cooperation,

Nadia Sammarco
