Student Expectations - Final Months of School

Dear Students and Parents/Guardians,

With the end of the school year ahead, we would like to remind all students that this time should be spent focusing on their upcoming exams and making their final few months of school successful ones. Students are reminded that hallway traffic during the last few months of school will be limited, and ***students who continuously disrupt class time and the learning of others will be sent home for the remainder of the day.***

As a school, we encourage our students to focus on their studies during this crucial time, and in ***no way will we tolerate*** inappropriate, loud and disrespectful behavior from our students as the end of school year approaches. We hope that the citizenship we have taught them over the years comes through, and they act appropriately in the remaining months of school. This appropriate behavior extended to the STM busses and neighboring restaurants, as we have had issues in the past when the warm weather begins. ***Students who choose not to respect these instructions will find themselves relocated to another school for their 2019-2020 school year.***

We hope that this message is as clear as possible to our students and we encourage you to have a serious discussion with your child. We look forward to seeing our students complete their year in a successful, peaceful manner making both the school staff and parents/guardians proud.

Thank you in advance for your cooperation on this extremely important matter.

Mr. Vitantonio
Principal

Ms. Caruso
Vice Principal (L5)

Ms. Tummillo
Vice Principal (L3/4)

Ms. Triestino
Vice Principal (L1/2)
