The workshop's main goal is to engage the students in a critical reflection about different forms of violence and how we can use our empathy to recognise violence and to productively intervene. The students develop critical thinking skills through debate, an empathy test, and analysis of pertinent videos. Your Continued Cooperation is Required:

We would like to inform you that we have been having a few issues in the boys' bathroom regarding vaping and the misuse of the toilet paper. We would ask that you please speak to your children about the fact that vaping is **PROHIBITED** on school grounds, and students caught will continue to face a minimum of a 3-day suspension.

Secondly, the boys have been making a mess in the bathroom, flooding the toilets and leaving an enormous amount of paper all over the floor. We ask that you please speak to your boys, since this misuse will result in the toilet paper being removed from the bathroom stalls, as it once was in the past.

Thank you for your cooperation,

Mr. Vitantonio
Principal

Ms. Caruso
Vice Principal (L5)

Ms. Tummillio
Vice Principal (L3/4)
