

Parents & Guardians

L - LEADERS & LEARNERS

B - BALANCED

P - POSITIVE

H - HONEST

S - SAFE

Leaders and Learners

L

Continue to be present and engaged in my child's school life.

o Take time to speak to your child about their school day and what they have done at school.

Leaders and Learners

L

Model the importance of education in my child's school life.

Be familiar about what my child's expectations are in class.

o Take time to visit school website for the standards and procedure documents for your child's classes.

Be Involved

B

In your child's school life.

o Take time to visit the school website and read the monthly newsletter to know what is taking place at school as activities and special events.

Be Involved

B

In your child's academics.

o Take time to visit the school website and read the monthly newsletter to know what is being offered as support to our students throughout the year and during the exam periods.

Be Involved

B

In school events.

o Take time to attend school events where parents/guardians are invited to, such as Curriculum Night and Parent/Teacher Interviews.

Be Involved

B

As part of the collective responsibility for my child.

o Cooperate with the school on the policies and procedures put forward for your child as a student at LBP.

Positive

P

Have faith in my child's ability.

o Believe that your child can be successful, together with support at home and at school.

Positive

P

Have faith in the school's plan
for my child.

o Cooperate with the school on interventions that may be put in place for your child.

Positive

P

In my communication with
teachers and the school.

o Be respectful when addressing
the school staff in your day-to-day
communications.

Positive

P

In my attitude towards the school.

o Be proud of the school your child attends, and work with us when you feel there is an issue that must be resolved.

Honest

H

Share my path to success
with my child.

o Be honest about your accomplishments and struggles you may have had as a student with your child.

Honest

H

Recognize the challenges of raising a teenager.

o Seek assistance from school professionals when needed.

Supportive

S

Persistent and encouraging
towards my child.
