INSTRUCTIONAL & SOCIAL SUPPORT GUIDELINES

May 13, 2020

Dear Parents,

Please find below the guidelines for the instructional & social support that will be provided for our students.

Instructional Support:

Teachers will be providing both enrichment & review activities based on the curriculum of each particular course.

1) Weekly Working Plan:

Students will receive a weekly working plan which will include a list of the activities and assignments that students are to complete during the week. The weekly plan will be sent to students at the beginning of each week. Teachers will inform their students regarding how the weekly plan will be communicated.

2) Instruction Capsules:

Students will receive weekly instructional capsules in the form of *Videos, Presentations and or Notes*.

3) Recuperation & Remediation:

Students will have the opportunity to meet with their teacher virtually in order to ask questions pertaining to the instructional activities, assignments and the instructional capsules. Teachers will provide a schedule and the medium to their students. Please note that in order to avoid conflicts with other classes, teacher will continue to follow the 9 day cycle as indicated in our school calendar. Please note that the Wednesday mini day schedule will also be followed. The school calendar can be found in the student agenda. For your information, today May 13th 2020, is a day 4. In addition, students may send their teacher questions outside the convened virtual meeting times. Teachers will inform students regarding which medium will be used.

Social Support:

Teachers will continue to provide social support to their students on weekly basis. We kindly ask that you facilitate the communication process by encouraging your child to respond to their teacher.

Kind Regards,

Steven Rebelo
Principal
Lester B. Pearson High School
