Suggested Summer Reading List

Dear Parents/Guardians,

Below you will find your child's 2020 Suggested Summer Reading List. We suggest your child read at least one of the novels from this list. They are encouraged to identify significant plot points, look for writing techniques, analyse characters, symbols, themes and ideas as they read, as well as enjoy the novel and embrace the love of reading. In order to help your child with his/her reading selection we have included a short synopsis of each of the novels.

We encourage students to order the novel online in keeping with the social distancing rules set forth by Santé Public, yet local book stores have the novels in stock. If ordering online please anticipate 2 to 3 weeks for novels to arrive, therefore do not wait until the end of summer to order. If you plan to purchase at a bookstore look into getting the books at the beginning of summer as it may take 2 to 3 weeks to receive books if they run out of stock.

Public libraries are also a good option to find the novels.

Please take note that this year your child will NOT have a Summer Reading Test, as this is a Suggested Reading List.

We hope you and your child have a restful summer and we look forward to starting the new school year in September.

“Lost in the Sun”

by: Lisa Graff

Everyone says that middle school is awful, but Trent knows nothing could be worse than the year he had in fifth grade, when a freak accident on Cedar Lake left one kid dead, and Trent with a brain full of terrible thoughts he can't get rid of. Trent's pretty positive the entire disaster was his fault, so for him middle school feels like a fresh start, a chance to prove to everyone that he's not the horrible screw-up they seem to think he is.

If only Trent could make that fresh start *happen*.

It isn't until Trent gets caught up in the whirlwind that is Fallon Little, the girl with the mysterious scar across her face—that things begin to change. Because fresh starts aren't always easy. Even in baseball, when a fly ball gets lost in the sun, you have to remember to shift your position to find it.

“The Remarkable Journey of Coyote Sunrise”

by: Dan Gemeinhart

Five years. That's how long Coyote and her dad, Rodeo, have lived on the road in an old school bus, crisscrossing the nation. It's also how long ago Coyote lost her mom and two sisters in a car crash.

Coyote hasn't been home in all that time, but when she learns the park in her old neighborhood is being demolished - the very same park where she, her mom, and her sisters buried a treasured memory box - she devises an elaborate plan to get her dad to drive 3,600 miles back to Washington state in four days...without him realizing it.

Along the way, they'll pick up a strange crew of misfit travelers. Lester has a lady love to meet. Salvador and his mom are looking to start over. Val needs a safe place to be herself. And then there's Gladys....

Over the course of thousands of miles, Coyote will learn that going home can sometimes be the hardest journey of all...but that with friends by her side, she just might be able to turn her “once upon a time” into a “happily ever after”.
