<b>END OF YEAR RESULTS</b>								
Term 1 20%	+	Term 2 20%	+	Term 3 60%	=	%	+ MEQ moderation	MELS Examination %

100% (school mark) + ELA (exam mark) = END OF YEAR RESULT

Moderation Defined - School marks obtained by each group of students are compared to the marks they obtained on the uniform examination. Using a statistical calculation, the school marks of each group are adjusted **by the ministry** to correspond to the marks obtained by this group on the uniform examination. The calculation takes into account the two following factors: the mean and the standard deviation (the distribution of marks around the mean).

As stated in the agenda,

**LATE ASSIGNMENT POLICY**

Keeping in mind that evaluation and the implementation of this policy is at the teacher's professional discretion, 5% of the student's grade will be deducted for every school day late. No late assignments will be accepted for grading after the instructor has returned the given assignment to students who submitted. This applies to assignments, presentations, and in-class evaluations missed without valid medical justification.
