Standards and Procedures 2026-2027

Secondary Evaluation Plan | Parent Information

1. GENERAL INFORMATION

Subject	Math	**Course code**	MATH 506
Cycle / Level	Secondary 5		
Class group(s)	3	Date this document was shared with parents	September 1, 2026
Teacher Information: Name & Email contact	Mr. Charles mcharles@emsb.qc.ca		

2. COURSE DESCRIPTION

This course will cover the curriculum specified by the Quebec Ministry of Education. The content assumes successful completion of Math 406 (Secondary IV Science Math). It prepares students for success in any CEGEP program. This option is intended for students who seek to understand the origin of different phenomena and how they work, as well as to explain them and make decisions that pertain to them. Students who are eligible for this option will learn to develop formal proofs in situations where there is a need to confirm a truth. By focusing on the properties of mathematical objects, this option places a greater emphasis on a student's capacity to think abstractly. Students will also develop strategies and acquire an academic background that enables them to pursue studies in the hard sciences, business studies or in any other field they may choose.

3. TEXTBOOKS, PLATFORMS, AND REQUIRED MATERIALS

Primary textbook or workbook	Math 3000
Supplementary materials	
Digital platforms	Teams, Khan Academy, Desmos
Daily required materials	Binder, Workbook, Calculator, Pencil Case, Highlighter
Optional but recommended materials	Grid Paper, Geometry Set
Replacement or fee information, if applicable	$25 to replace M3000 Workbook

4. COMMUNICATION WITH PARENTS AND STUDENTS

Required communications

Parents receive one written communication by October 15 and three report cards no later than November 20, March 15, and July 10. Additional communication will be provided when a student is at risk of not meeting expectations, when behaviour concerns arise, or when an individualized education plan requires it.

Communication may include:

■ Mozaïk Parent Portal	■ Email	■ Agenda / planner
■ Phone calls	■ Meetings	■ Other: Letter
■ IEP	☐ Virtual Platform (Google Class or TEAMS)	☐ Other:

Report Cards - Timeline for distribution to parents

Communication	Legal deadline	School target date to publish to parents	Notes
First written communication	*By October 15*	October 15th, 2026	Focus on adjustment, progress, work habits, and early concerns.
Term 1 report card	*By November 20*	November 19th, 2026	Counts for 20% of the final mark.
Term 2 report card	*By March 15*	February 24th, 2026	Counts for 20% of the final mark.
Term 3 report card	*By July 10*	June 30th, 2026	Counts for 60% of the final mark.

5. EVALUATION OVERVIEW

Important statement on evaluation

Evaluation is based on the development of competencies and on sufficient, varied, and relevant evidence of learning each are weighted according to the teacher's professional judgement and included as such in the term mark therefore a final judgment is not a simple term average of individual marks it is**.** It reflects the teacher's professional judgment, progress over time, and the overall level of competency development.

Evidence of learning may include:

■ Assignments	■ Tests / quizzes	■ Exams
■ Projects	■ Performance tasks	☐ Labs / practical tasks
☐ Presentations	☐ Portfolios	☐ Observations
■ Classwork	☐ Conferences	☐ Participation connected to competencies
☐ Rubrics	■ LES *(Learning Evaluation Situation)*	☐ Other

6. COMPETENCIES AND METHODS OF EVALUATION

The competencies and % framework weighting listed below correspond to the same subject competencies listed in the school's Summary Standard & Procedure as per MEQ requirements. *(Reference: 26-27 Summary Standard & Procedures published by the school in June 2026*

Term 1 evaluation | Annual weighting: 20%

Competency	Framework wighting of the competency	Planned evidence of learning	Approximate timing	Emphasis / notes
C2: Uses Mathematical Reasoning	100 %	Tests, Quizzes, Assignments	October 2	
	%			
	%			

Term 2 evaluation | Annual weighting: 20%

Competency	Framework wighting of the competency	Planned evidence	Approximate timing	Emphasis / notes
C2: Uses Mathematical Reasoning	70 %	Tests, Quizzes, Assignments	November 20, December 18	
C1: Solves a Situational Problem	30 %	Project		
	%			

Term 3 evaluation | Annual weighting: 60%

Competency	Framework wighting of the competency	Planned evidence	Approximate timing	Emphasis / notes
C2: Uses Mathematical Reasoning	70 %	Tests, Quizzes, Assignments	February 25, April 30, May 28	
C1: Solves a Situational Problem	30 %	Project		
	%			

7. GENERAL COMPETENCIES – Cross-Curricular Competencies

Report card comments

At least one general competency is commented on during the year. Schools may choose a common schedule by term.

This school year the cross-curricular competencies will be report on by the _____ teachers.

General competency	Term 1		Term 3
Exercises critical judgment			
Organizes work			
Communicates effectively			
Works in a team			

8. FINAL EVALUATIONS, SCHOOL BOARD EVALUATIONS, AND MEQ EXAMINATIONS

For all uniform exams, the teachers will be communicating the Exam Schedule when time comes.

Type of evaluation/examination	Applicable	How final evaluations are included	Important dates or timeline
School mid-year evaluation	No		
School end-of-year evaluation	No		
School board common evaluation	Yes	Results count for 20% of the year for the competency	Final exam session - May-June
MEQ examination	No		

9. TUTORIAL AND EXTRA HELP

Please find below the planned support *(subject to change throughout the school year. Each teacher will keep the students informed as needed)*

- Students are encouraged to seek clarification early.
- Extra help may support concept review, assignment completion, preparation for evaluations, and feedback on learning.

Planned Support	Tutorial	**Time frame**	Days 3,4 and 9 after school in room 304
Teacher expectations			
Other supports			

10. STUDENT RESPONSIBILITIES AND CLASSROOM EXPECTATIONS

Attendance and participation	Regular attendance and active participation help students demonstrate competency development and provide sufficient evidence for evaluation. Students who are absent are responsible for all missed work.
Homework and practice	Homework, practice, and preparation tasks support learning. Homework is essential to success. Students must show work according to examples given in class. Students may expect about 45 minutes to an hour of homework per class.
Academic integrity	Students must submit their own work, cite sources when required, and use digital tools, including AI tools, only as permitted by the teacher and the school's code of conduct.
Technology use	For academic purposes students may be asked/ allowed to use certain technological tools (Apps, cell phones, AI) Scientific calculator, Online tools (especially Khan Academy, Desmos and Teams)
Learning behaviours	Effort, organization, collaboration, and respect for classroom expectations contribute to successful learning.

11. MISSED ASSIGNMENTS, LATE WORK, AND MISSED EVALUATIONS

Guiding principle

The goal is to gather enough valid evidence to evaluate competency development. Consequences for late or missing work must be applied consistently and should not replace professional judgment about what a student has demonstrated.

Missed assignments	Students are expected to submit assignments by the established deadline. In the case of absence, students must obtain missed work and complete it within a reasonable timeline determined with the teacher.
Persistent non-submission	Persistent non-submission will limit the teacher's ability to gather sufficient evidence of learning and may require additional communication with parents.
Missed tests or evaluations	A justified absence may require documentation. A make-up evaluation or alternative evidence may be scheduled at the teacher's discretion or school's procedure.
Unjustified absence from an evaluation	The teacher may use alternative evaluation, existing evidence, or note insufficient evidence, according to school procedures.
Extensions or accommodations	Students requiring accommodations should speak with the teacher.
Individualized Educational Plan (IEP)	Adaptations linked to an individualized education plan will be respected.
