5. EVALUATION OVERVIEW

Important statement on evaluation

Evaluation is based on the development of competencies and on sufficient, varied, and relevant evidence of learning weighted according to the teacher's professional judgement (and included as such in the term mark);therefore a final judgment is not a simple term average of individual marks**.** It reflects the teacher's professional judgment, student's progress over time, and the overall level of competency development.

Evidence of learning may include:

■ Assignments	■ Tests / quizzes	☐ Exams
■ Projects	■ Performance tasks	☐ Labs / practical tasks
■ Presentations	■ Portfolios	■ Observations
■ Classwork	☐ Conferences	■ Participation connected to competencies
■ Rubrics	☐ LES *(Learning Evaluation Situation)*	☐ Other

Teacher expectations

Other supports			

10. STUDENT RESPONSIBILITIES AND CLASSROOM EXPECTATIONS

Attendance and participation	Regular attendance and active participation help students demonstrate competency development and provide sufficient evidence for evaluation.
Homework and practice	Homework, practice, and preparation tasks support learning.
Academic integrity	Students must submit their own work, cite sources when required, and use digital tools, including AI tools, only as permitted by the teacher and the school's code of conduct.
Technology use	For academic purposes students may be asked/ allowed to use certain technological tools (Apps, cell phones, AI)
Learning behaviours	Effort, organization, collaboration, and respect for classroom expectations contribute to successful learning.

11. MISSED ASSIGNMENTS, LATE WORK, AND MISSED EVALUATIONS

Guiding principle

The goal is to gather enough valid evidence to evaluate competency development. Consequences for late or missing work must be applied consistently and should not replace professional judgment about what a student has demonstrated.

Missed assignments	Students are expected to submit assignments by the established deadline. In the case of absence, students must obtain missed work and complete it within a reasonable timeline determined with the teacher.
Persistent non-submission	Persistent non-submission will limit the teacher's ability to gather sufficient evidence of learning and may require additional communication with parents.
Missed tests or evaluations	A justified absence may require documentation. A make-up evaluation or alternative evidence may be scheduled at the teacher's discretion or school's procedure.
Unjustified absence from an evaluation	The teacher may use alternative evaluation, existing evidence, or note insufficient evidence, according to school procedures.
Extensions or accommodations	Students requiring accommodations should speak with the teacher.
Individualized Educational Plan (IEP)	Adaptations linked to an individualized education plan will be respected.
